

Tru Dot FIXED PISTOL SET KRISS - Tru Dot FIXED PISTOL SET KRISS SPHINX G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET KRISS Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET KRISS. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the Tru Dot sights.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of risks associated with improper use, including potential injury or damage.
- Always treat your firearm with respect and follow local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for updates on safety recalls or product alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights beyond the minor modifications indicated in the installation instructions.
- Avoid using the product in conditions that exceed its operational limits, such as extreme temperatures or humidity.
- If you notice any damage or malfunction, discontinue use immediately and consult a qualified professional.
- Use only compatible firearms as specified in the product documentation.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove the standard weapon sights using appropriate tools.
3. **Mount the Tru Dot Sights:** Align the Tru Dot sights with the mounting points on your firearm. Ensure they fit securely.
4. **Secure the Sights:** Use the necessary screws or fasteners to secure the Tru Dot sights in place. Ensure they are tightly fitted to avoid any movement.
5. **Check Alignment:** After installation, check the alignment of the sights to ensure accurate aiming.

Usage

- **Aiming:** Use the three solid dots as your aiming reference. The configuration remains consistent in both day and night conditions.
- **Practice:** Regular practice is essential to improve your aiming skills with the Tru Dot sights.
- **Maintenance:** Periodically clean the sights with a soft, dry cloth to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical devices.
- Do not dispose of the product with general household waste.
- If applicable, return the product to the manufacturer for proper recycling or disposal.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET KRISS, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your Tru Dot sights.
