

# Tru Dot FIXED PISTOL SET KRISS - Tru Dot FIXED PISTOL SET KRISS SPHINX G/O

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot Fixed Pistol Set Kriss Consumer Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set Kriss. This guide provides essential safety instructions and information to ensure the safe use of your product. Please read this guide thoroughly before using the sights to enhance your shooting experience under various lighting conditions.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot Fixed Pistol Set by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to your product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals to prevent accidents.
- **EU Contact Point:** For safety inquiries, consult the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for faster updates on unsafe products.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the Tru Dot sights.
- **Firearm Handling:** Follow all standard firearm safety rules, including treating every firearm as if it is loaded.
- **Installation Safety:** Ensure that the firearm is unloaded before attempting to install the Tru Dot sights.
- **Environmental Awareness:** Be conscious of your surroundings and ensure that you are in a safe and designated shooting area.
- **Night Use:** When using the sights in lowlight or nighttime conditions, ensure that you are familiar with the operation of your firearm.
- **Regular Inspection:** Regularly inspect the sights for any signs of wear or damage before use.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm using appropriate tools.
3. **Install Tru Dot Sights:**
  - Align the Tru Dot front sight with the mounting slot on the firearm.
  - Securely fasten the sight in place, ensuring it is stable and properly aligned.
  - Repeat the process for the rear sight.
4. **Check Alignment:** After installation, check the alignment of the sights to ensure they are correctly positioned for accurate aiming.

### Usage Instructions

- **Aiming:** Use the three solid dots as your aiming reference. The dots are designed to be visible under all lighting conditions.
- **Transitioning:** You do not need to adjust your aiming technique when transitioning from day to night

use.

- **Target Practice:** Regular practice is recommended to familiarize yourself with the sighting system and improve accuracy.

## Disposal Instructions

- **Proper Disposal:** Dispose of any packaging materials in accordance with local regulations.
- **Environmental Considerations:** Do not dispose of the product in water bodies or landfills. Follow local guidelines for hazardous waste disposal if applicable.

## Contact Information for Further Support

For any questions or concerns regarding the Tru Dot Fixed Pistol Set, please consult the designated EU contact point or your retailer for assistance. Always ensure that you have the latest safety information and product updates.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Pistol Set Kriss. Thank you for your commitment to safety.
