[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot Fixed Pistol Set KRISS Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set KRISS. This product is designed to enhance your shooting experience by providing reliable selfilluminated night sights. To ensure safe usage and optimal performance, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Always treat every firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, away from children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm use and modifications.
- Regularly inspect the sights for any signs of damage or wear.

## Specific Safety Precautions for Use

- Use only the Tru Dot Fixed Pistol Set KRISS as intended. Do not attempt to modify the sights or use them in any unauthorized manner.
- Ensure that the sights are properly installed according to the provided instructions to avoid misalignment.
- Avoid using the firearm in conditions that exceed the limitations of the sights, such as extreme weather or low visibility situations beyond the sights' capabilities.
- Always wear appropriate eye and ear protection when handling firearms.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front and rear sights using appropriate tools.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights in place using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the sights are aligned correctly before use.

### 2. Usage:

- When aiming, ensure that your focus is on the target while aligning the three dots of the Tru Dot sights.
- Practice shooting under various lighting conditions to become familiar with sighting in both day and night scenarios.
- Regularly check the alignment and functionality of the sights to maintain accuracy.

## Disposal Instructions

- Dispose of the Tru Dot Fixed Pistol Set KRISS in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authorities for guidance on proper disposal methods for firearm accessories.
