

Tru Dot FIXED PISTOL SET REMINGTON R1(NOT ENHANCED) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Remington R1. This guide provides essential safety instructions and information to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model.
- Always follow the manufacturer's instructions for safe handling and use.
- Use only in accordance with local laws and regulations.
- Keep out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Store your firearm and accessories securely when not in use.

Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded.
- Do not point your firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe backdrop when shooting.
- When using the Tru Dot sights, ensure they are properly aligned with your firearm.
- Avoid using the sights in extreme weather conditions that may impair visibility.
- Ensure that the tritium dots are not damaged; if they are, discontinue use and contact a qualified professional.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You may need a screwdriver or other tools for installation.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your firearm.
3. **Prepare the New Sights:** Ensure that the Tru Dot sights are clean and free from debris.
4. **Install the Front Sight:**
 - Align the Tru Dot front sight with the mounting slot on your firearm.
 - Secure it in place using the appropriate screws, ensuring it is tightly fitted.
5. **Install the Rear Sight:**
 - Align the Tru Dot rear sight with the mounting slot on your firearm.
 - Secure it in place with screws, ensuring it is tightly fitted.
6. **Check Alignment:** After installation, check that both sights are aligned properly for accurate aiming.

Usage Instructions

- **Aiming:** Use the three solid dots (two on the rear and one on the front) for aiming. The dots should be aligned in a straight line for effective targeting.
- **Day and Night Use:** The Tru Dot sights are designed for use in both daylight and lowlight conditions. Ensure visibility is adequate before shooting.
- **Regular Maintenance:** Clean the sights regularly to maintain visibility and function.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in general waste.

- If the sights become damaged or are no longer needed, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's contact information provided with your product packaging or visit their official website.

By following these instructions and safety guidelines, you can ensure a safe and enjoyable experience with your Tru Dot Fixed Pistol Set. Thank you for your attention to safety.
