

FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL SET TAURUS G2 G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for FIXED PISTOL SET TAURUS HYPER BRIGHT

Introduction

Thank you for choosing the FIXED PISTOL SET TAURUS HYPER BRIGHT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the safety is engaged whenever the firearm is not in use.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Be aware of your surroundings and ensure a clear line of sight when aiming and shooting.
- Do not rely solely on the brightness of the sights in low light conditions; always ensure proper handling and awareness.

Specific Safety Precautions for Use

- **Use in Appropriate Conditions:** The FIXED PISTOL SET TAURUS HYPER BRIGHT is designed for use in various lighting conditions. However, always confirm visibility and ensure proper handling practices.
- **Avoid Modifications:** Do not attempt to modify or alter the sights or firearm. This can compromise safety and functionality.
- **Check for Proper Installation:** Ensure that the sights are correctly installed according to the manufacturer's instructions to avoid misalignment or failure.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own and operate firearms. Ensure that all users are trained and knowledgeable about firearm safety.
- **Emergency Situations:** In case of any malfunction or injury, cease use immediately and seek professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing sights if applicable, following the manufacturer's instructions.
- Align the FIXED PISTOL SET TAURUS HYPER BRIGHT sights with the mounting points on your firearm.
- Securely fasten the sights in place, ensuring they are properly aligned for optimal accuracy.
- Doublecheck that all components are tight and secure before use.

2. Usage:

- When aiming, align the front sight with the rear sight and your target.
- Adjust your stance and grip for comfort and stability.
- Practice regularly to become familiar with the sighting system and improve accuracy.
- In low light conditions, rely on the tritium illumination but remain aware of your surroundings and maintain safe handling practices.

Disposal Instructions

- Dispose of any damaged or expired components in accordance with local regulations.
- Do not dispose of the sights or any firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the FIXED PISTOL SET TAURUS HYPER BRIGHT, please reach out to your local distributor or manufacturer for assistance. Ensure that you have your product details available for efficient support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your FIXED PISTOL SET TAURUS HYPER BRIGHT. Stay informed, stay safe, and enjoy your product responsibly.
