

FIXED PISTOL SET TAURUS - HYPER BRIGHT FIXED PISTOL SET TAURUS G2 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

Safety Instruction Guide for FIXED PISTOL SET TAURUS HYPER BRIGHT

Introduction

Thank you for choosing the FIXED PISTOL SET TAURUS HYPER BRIGHT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully and keep it for future reference.

General Safety Guidelines

- Always handle firearms responsibly and with care.
- Ensure that your shooting environment is safe and appropriate.
- Familiarize yourself with local laws and regulations regarding firearm usage and storage.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your sights for any damage or wear.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before using the FIXED PISTOL SET TAURUS HYPER BRIGHT, ensure that the firearm is unloaded.
- Avoid pointing the firearm at anything you do not intend to shoot.
- Always ensure the safety mechanism is engaged until you are ready to fire.
- Use only compatible ammunition as specified by the firearm manufacturer.
- Do not modify the sights or any part of the firearm without consulting a qualified gunsmith.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Sights:** Use appropriate tools to carefully remove the existing sights from the firearm.
3. **Install the New Sights:**
 - Align the front sight with the mounting slot on the firearm.
 - Secure the front sight in place according to the manufacturer's specifications.
 - Repeat the process for the rear sight, ensuring proper alignment.
4. **Check Alignment:** Ensure that both sights are properly aligned and securely attached.

Usage Instructions

- **Daylight Use:** The bright colored ring front sight provides excellent visibility in daylight conditions. Focus on the front sight for quick target acquisition.
- **Nighttime Use:** The tritium illumination allows for effective targeting in low light conditions. Ensure that the sights are clean and unobstructed for optimal performance.
- **Maintenance:** No batteries or switches are required. The sights are maintenancefree, but periodic checks for damage or wear are recommended.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling options or consult local disposal facilities.

Contact Information for Further Support

For any questions or concerns regarding your FIXED PISTOL SET TAURUS HYPER BRIGHT, please refer to the manufacturer's contact information provided in the original packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your FIXED PISTOL SET TAURUS HYPER BRIGHT. Thank you for your attention to safety.
