

# HYPER BRIGHT FIXED PISTOL SET SPRINGFIELD XDM/XDS G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET SPRINGFIELD XDM

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your Springfield XDM/XDS. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this manual carefully before use to understand the safety measures and proper handling of the sights.

## General Safety Guidelines

- **Product Safety:** The HYPER BRIGHT FIXED PISTOL SET is designed to meet safety standards for nonfood products. Ensure that you follow all instructions to minimize risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, standardized notices will be provided. Please stay informed about any updates related to your product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to those of physical stores.
- **Vulnerable Groups:** Extra caution should be exercised when the product is used around children or individuals who may not understand its operation.
- **EU Contact Point:** For any safety inquiries, you should contact the designated EUbased support team associated with the product.
- **Rapid Alerts:** Stay updated on any safety alerts or recalls through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Never look directly into the sights when illuminated to prevent eye injury.
- **Keep Out of Reach of Children:** Store the product in a secure location away from children to prevent accidental use.
- **Inspect Before Use:** Regularly check the sights for any visible damage or wear before use to ensure they function correctly.
- **Use Only as Intended:** The sights are designed specifically for firearms; do not use them for any other purpose.
- **Weather Conditions:** While the sights are reliable in various weather conditions, avoid using them in extreme environments that may affect their performance.
- **Follow Local Laws:** Ensure compliance with local laws and regulations regarding firearm sights and usage.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure your firearm is unloaded before starting the installation.
- Remove the existing sights from your Springfield XDM/XDS according to the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SET with the sight mounting points on your firearm.
- Secure the sights in place using the appropriate tools. Ensure they are firmly attached but do not overtighten to avoid damage.

### 2. Usage Instructions:

- **Aiming:** Use the Unotch shape on the rear sight to direct your eyes to the top of the front sight for quick target acquisition.
- **Lighting Conditions:** The sights are designed to provide visibility in both bright and lowlight

conditions. Trust the illumination for reliable performance at all times.

- **Maintenance:** The sights are maintenancefree. Regularly check for any signs of wear and replace them as a set when necessary.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly. Follow local regulations regarding electronic waste and hazardous materials.
- **Do Not Dispose in Regular Trash:** Do not throw the sights in the regular trash. Instead, take them to a designated recycling or hazardous waste facility.

## Contact Information for Further Support

For any further assistance or inquiries regarding the HYPER BRIGHT FIXED PISTOL SET, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details available to facilitate support.

By following these safety instructions, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety and responsible usage. Thank you for your attention.
