

# HYPER BRIGHT FIXED PISTOL SET SPRINGFIELD XDM/XDS O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your Springfield XDM/XDS. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe usage of this handgun sight. Follow all instructions carefully to minimize risks.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Use in Appropriate Conditions:** Only use the HYPER BRIGHT FIXED PISTOL SET in environments suitable for firearms.
- **Avoid Modifications:** Do not modify the product in any way, as this can compromise safety and performance.
- **Regular Inspection:** Periodically check the sights for any signs of damage or wear. If any issues are detected, do not use the product.
- **Proper Handling:** Always handle the firearm with care, treating it as if it is loaded, even if you believe it is not.
- **Training:** Ensure that you have received proper training in the use of firearms before using this product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove the existing sights from your Springfield XDM/XDS as per the manufacturer's instructions.
- Align the HYPER BRIGHT FIXED PISTOL SET sights properly on the firearm.
- Securely fasten the sights according to the manufacturer's guidelines.
- Confirm that the sights are stable and properly installed before use.

### 2. Usage:

- **Daytime Use:** Take advantage of the bright fluorescent colors for fast target acquisition.
- **Nighttime Use:** Rely on the self-illuminated tritium for visibility in lowlight conditions.
- **Focus on Front Sight:** Use the contrasting colors to direct your focus on the front sight for improved accuracy.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly, following local regulations for the disposal of firearms and related accessories.
- **Recycling:** If applicable, recycle any metal components as per your local recycling guidelines.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by the retailer or manufacturer at the time of purchase. Always ensure you are using the product safely and in accordance with local laws and regulations.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is our priority. Enjoy your HYPER BRIGHT FIXED PISTOL SET responsibly.
