

HYPER BRIGHT FIXED PISTOL SET SPRINGFIELD XDM/XDS Y RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET SPRINGFIELD XDM Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your Springfield XDM/XDS. This guide is designed to provide you with essential safety instructions to ensure the safe use and maintenance of your firearm sights. It adheres to the EU General Product Safety Regulation (GPSR) to protect consumers and promote responsible usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that the area is clear of people and obstacles before using your firearm.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Visibility in Low Light:** The HYPER BRIGHT sights are designed for optimal visibility in both daylight and lowlight conditions. Ensure you are familiar with their operation before relying on them in critical situations.
- **Avoid Modifications:** Do not alter or modify the sights. Any changes may affect their performance and safety.
- **Use as Intended:** These sights are specifically designed for use with Springfield XDM/XDS models. Using them on other firearms may lead to improper functioning.
- **Check Local Laws:** Be aware of and comply with local laws regarding the use and storage of firearms and firearm accessories.

Instructions for Installation and Usage

Installation

1. Gather Tools Needed:

- Appropriate screwdriver or installation tool (not included).
- Cleaning cloth.

2. Remove Existing Sights:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use the appropriate tool to carefully remove the existing sights.

3. Install the HYPER BRIGHT Sights:

- Align the new sights in the designated slots.
- Securely fasten them using the tool, ensuring they are properly seated.

4. Final Check:

- Inspect the installation to ensure sights are aligned and secure.
- Perform a function check of the firearm.

Usage

- **Aiming:** Use the Unotch rear sight to naturally direct your eyes to the top of the front sight for quick target acquisition.
- **MaintenanceFree:** The HYPER BRIGHT sights do not require batteries or switches and are designed to remain illuminated for 12 years.
- **Weather Resistance:** These sights are built to perform reliably under various weather conditions.

Disposal Instructions

- Dispose of any damaged or expired sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Check with local waste management authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For further assistance or inquiries regarding your HYPER BRIGHT FIXED PISTOL SET, please refer to the manufacturer's contact information, which can be found on the product packaging or the official website.

This safety instruction guide is designed to help you use your HYPER BRIGHT FIXED PISTOL SET safely and effectively. By following these guidelines, you contribute to a safer shooting experience for yourself and those around you. Thank you for your attention to these important safety measures.
