[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING EVERGREEN PISTOL SET GLOCK ALL MODELS Y RING/G Safety Instructions

Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set. This product is designed to enhance your shooting experience with its advanced LEDbased illuminated sights. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is stored securely, out of reach of children and unauthorized users.
- Regularly inspect the Mepro Evergreen™ sights for any signs of damage or wear.
- Do not use the product if it appears damaged or malfunctioning.
- Always adhere to local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- The Mepro Evergreen™ is designed for use with Glock models only. Ensure compatibility before installation.
- Do not modify the Mepro Evergreen™ sights or the firearm in any way that could impair safety or functionality.
- Avoid exposing the sights to extreme temperatures or harsh conditions that may affect their performance.
- Use the product only for its intended purpose; misuse may lead to accidents or injury.
- Ensure that the LED light source is functioning correctly before using the sights in lowlight conditions.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver suitable for your Glock model.
2. **Remove Existing Sights:** Carefully remove the existing sights from your Glock, following the manufacturer's instructions.
3. **Install Mepro Evergreen™ Sights:**
 - Align the front sight in the designated slot and secure it with the appropriate screw.
 - Align the rear sight in its designated slot and secure it similarly.
4. **Check Alignment:** Confirm that both sights are aligned properly before securing them fully.
5. **Test Functionality:** Ensure that the LED lights are operational by testing them in a dimly lit environment.

Usage

- **Target Acquisition:** Use the illuminated threedot picture to enhance your target acquisition during both daytime and nighttime operations.
- **Practice Regularly:** Familiarize yourself with the sights by practicing regularly in a safe environment.
- **Maintain the Product:** Regularly clean the sights and check for any signs of wear or damage. Replace batteries if necessary to ensure optimal performance.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sights in accordance with local regulations regarding electronic waste.
- If the product is damaged or no longer functioning, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For any inquiries regarding the Mepro Evergreen™ Pistol Set, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your Mepro Evergreen™ Pistol Set. Always stay informed about product updates and safety alerts through official channels. Thank you for choosing Meprolight.
