

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING - EVERGREEN PISTOL SET GLOCK ALL MODELS O RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET GLOCK ALL MODELS G RING EVERGREEN PISTOL SET GLOCK ALL MODELS O RING/BLANK Safety Instructions

Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set. This product is designed to enhance your shooting experience with its super bright LEDbased illuminated sights. It is essential to follow safety guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). This guide provides important safety information, installation instructions, and disposal guidelines.

General Safety Guidelines

- Product Safety:
 - Ensure the safe use of the Mepro Evergreen™ by following all instructions provided in this guide.
 - Be aware of any risks associated with the use of illuminated sights and ensure they are not addressed by other regulations.
- Enhanced Recalls:
 - Stay informed about any recall notices related to this product. If a recall occurs, free remedies will be provided.
- Online Shopping:
 - When purchasing online, ensure the platform meets safety requirements comparable to physical stores.
- Special Consumer Focus:
 - Extra care should be taken when using this product around vulnerable groups, particularly children.
- EU Contact Point:
 - For any safety inquiries, refer to the designated EU contact point associated with this product.
- Rapid Alerts:
 - Stay updated on potential safety issues via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle the Mepro Evergreen™ with care to avoid accidental discharge.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Do not expose the illuminated sight to extreme temperatures or moisture.
- Regularly inspect the sight for any signs of damage or wear.
- Avoid looking directly into the LED light source to prevent eye strain or injury.
- Store the product in a safe and secure location, away from children and unauthorized users.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Firearm:

- Ensure your Glock is unloaded and pointed in a safe direction.

2. Remove Existing Sights:

- Use appropriate tools to remove any existing sights from your Glock model.

3. Install the Mepro Evergreen™:

- Align the front sight with the designated mounting area on the slide.
- Secure the sight using the provided screws or mounting mechanism.
- Repeat the process for the rear sight, ensuring proper alignment.

4. Check Alignment:

- Once installed, check that both sights are aligned correctly for optimal accuracy.

Usage Instructions

• Activating the Sight:

- The Mepro Evergreen™ will automatically activate when in use. Ensure the battery is installed correctly for optimal performance.

• Target Acquisition:

- Use the illuminated dots to acquire targets quickly, both during the day and at night.

• Maintenance:

- Regularly clean the sight with a soft cloth to maintain clarity and performance.
- Replace the battery as needed, following the manufacturer's guidelines.

Disposal Instructions

- Dispose of the Mepro Evergreen™ in accordance with local regulations regarding electronic waste.
- Ensure that all components, including batteries, are disposed of safely to prevent environmental harm.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Mepro Evergreen™ Pistol Set, please refer to the designated EU contact point associated with this product. Ensure you have your purchase information available when seeking assistance.

By following these instructions and guidelines, you can ensure a safe and enjoyable experience with your Mepro Evergreen™ Pistol Set. Thank you for your attention to safety!
