

# Chassis - CRBN Stock - Remington700 RH - MDT Chassis - CRBN Stock - Remington700 - SA - RH - Fixed - ARCA - CCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT Chassis CRBN Stock for your Remington700 rifle. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this guide carefully before use to enhance your shooting experience and maintain safety standards.

### General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with the operation of your firearm and the MDT Chassis.
- Use the MDT Chassis only with the specified Remington700 model to ensure compatibility.
- Always follow the manufacturer's instructions for the firearm and accessories.
- Store the MDT Chassis and your firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the MDT Chassis for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Ensure the MDT Chassis is securely attached to the firearm before use.
- Avoid using the MDT Chassis in adverse weather conditions that could affect your grip or stability.
- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- Use caution when adjusting the length of pull and other adjustable features to avoid pinching or injury.
- Ensure that any accessories mounted on the ARCA rail or MLOK slots are securely fastened.

### Instructions for Installation and Usage

#### 1. Installation of the MDT Chassis:

- Ensure that your Remington700 rifle is unloaded.
- Remove the original stock from the firearm according to the manufacturer's instructions.
- Align the MDT Chassis with the action of the rifle, ensuring proper fit.
- Secure the chassis using the provided screws and tools, making sure it is tightly fastened.
- Check the stability of the action installation by gently shaking the rifle.

#### 2. Adjusting the Length of Pull:

- Use the spacers provided to adjust the length of pull to your preference.
- Ensure that the adjustment is secure and does not move during use.

#### 3. Using the Adjustable Thumb Shelf:

- Position the thumb shelf to a comfortable height for your shooting style.
- Ensure that it is firmly in place before shooting.

#### 4. Mounting Accessories:

- Attach bipods, tripods, or other accessories to the integrated ARCA rail or MLOK slots as needed.

- Ensure that all accessories are securely fastened and do not obstruct the operation of the rifle.

#### **5. Shooting with the MDT Chassis:**

- Position yourself comfortably with a stable stance.
- Use the wide forend to minimize flex and enhance stability.
- Track your shot and maintain focus on your target for improved accuracy.

## **Disposal Instructions**

- Dispose of the MDT Chassis in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the MDT Chassis in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's website or customer service resources. It is essential to have access to reliable information regarding your product.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others are paramount. Enjoy your shooting experience with the MDT Chassis CRBN Stock!
