[Shooting Accessories](#) > [Brownells Gear](#)

The Tactical Honk™ is a one-of-a-kind Picatinny-mounted honking device designed to bring chaos, comedy, and tactical confusion to any setup. Tired of quiet, predictable operations? This device delivers a MIL-SPEC honk inspired by the sheer rage of an angry goose—perfect for psychological warfare, tactical misdirection, or just getting a laugh out of your teammates.

Unlike traditional gear, the Tactical Honk™ requires no batteries. It's completely operator-powered, giving you unlimited honking potential at your fingertips. Just press and honk—your way, your rules.

# Tactical Honk Safety Instruction Guide

## Introduction

Thank you for choosing the Tactical Honk™. This unique honking device is designed to enhance your tactical operations with humor and surprise. It is essential to understand how to use this product safely and effectively. This guide outlines the safety precautions, installation instructions, and proper disposal methods to ensure your experience with the Tactical Honk™ is enjoyable and safe.

## General Safety Guidelines

- Ensure the Tactical Honk™ is used in appropriate settings where honking will not cause alarm or distress to others.
- Keep the device out of reach of children and vulnerable individuals to prevent misuse.
- Regularly inspect the device for any signs of damage or wear. If any issues are detected, cease use immediately.
- Follow all instructions carefully to minimize the risk of accidents or injuries.

## Specific Safety Precautions for Use

- **Honk Responsibly:** Use the Tactical Honk™ in environments where honking will not disrupt operations or cause panic.
- **Avoid Direct Contact:** Do not place the device near your face or the faces of others while honking.
- **Check Surroundings:** Before using the Tactical Honk™, ensure that the area is clear of individuals who may be startled or affected by the sound.
- **Use in Moderation:** While the Tactical Honk™ offers unlimited honking potential, excessive use may lead to annoyance or unintended consequences. Use it judiciously.

## Instructions for Installation and Usage

### 1. Attachment to Picatinny Rail:

- Locate the Picatinny rail on your tactical gear.
- Align the Tactical Honk™ with the rail slots.
- Slide the device into place until it is securely mounted.

### 2. Activating the Honk:

- To use the Tactical Honk™, simply press the activation button located on the device.
- The honk will emit a sound similar to that of an angry goose, designed for maximum disruption.

### 3. Operational Tips:

- Practice using the Tactical Honk™ in a safe environment to familiarize yourself with its operation.
- Consider using the device as a tactical misdirection tool during training exercises to understand its impact.

## Disposal Instructions

- When the Tactical Honk™ reaches the end of its life cycle, dispose of it in accordance with local waste management regulations.
- Do not dispose of the device in regular household waste if it is damaged or poses a safety hazard.
- Check for any local recycling programs that accept plastic products.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Tactical Honk™, please refer to the manufacturer's contact information provided with your product or visit the official website for support.

## **Conclusion**

The Tactical Honk™ is designed to provide both fun and tactical advantages. By following these safety instructions, you can ensure a safe and enjoyable experience. Always prioritize safety, and remember to use the device responsibly. Thank you for being a responsible user!
