

# MMX3 - MEPRO MMX3, MICRO MAGNIFIER 3x QUICK FLIP-MOUNT

The Meprolight MMX3 is a lightweight, durable 3x magnifier designed to enhance the effective range of your red dot or reflex sight without requiring re-zeroing. Its compact design saves rail space and minimizes added weight, making it ideal for tactical and competitive shooting scenarios.

**3x Magnification:** Extends the range of red dot sights for improved target identification.

**Flip-to-Side Mount:** Integrated side-flip adapter allows quick transition between magnified and unmagnified views.

**No Zeroing Required:** Maintains alignment with your primary optic without additional adjustments.

**Adjustable Alignment:** Elevation and windage dials provide precise field-of-view alignment.

**Wide Field of View:** 7.2° angular field enables rapid target acquisition with both eyes open.

**Durable Construction:** IPX7-rated for water resistance; operates in temperatures from -4°F to 122°F (-20°C to 50°C).

**Compatibility:** Fits MIL-STD-1913 Picatinny rails; includes riser for 1.5" and 1.93" height-over-bore optics.

**Protective Covers:** Comes with black and FDE rubber covers to safeguard the optic when not in use.

## Attributes

- Name: MEPRO MMX3, MICRO MAGNIFIER 3x QUICK FLIP-MOUNT

# MMX3 MEPRO MMX3 Safety Instruction Guide

## Introduction

Thank you for choosing the Meprolight MMX3 Micro Magnifier. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magnifier. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the magnifier with care to avoid damage.
- Ensure the magnifier is securely mounted before use to prevent accidents.
- Regularly check the magnifier for signs of wear or damage.
- Store the magnifier in a safe, dry place when not in use.
- Follow all local laws and regulations regarding the use of optical sights and magnifiers.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of your surroundings when using the magnifier. Always ensure that the area is safe and free of obstacles.
- **Eye Safety:** Always use eye protection when using firearms or equipment that may cause eye injury.
- **Child Safety:** Keep the magnifier out of reach of children. It is not a toy and should only be used by individuals trained in firearm safety.
- **Environmental Conditions:** Avoid using the magnifier in extreme temperatures or adverse weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Choose a suitable rail on your firearm (compatible with MILSTD1913 Picatinny rails).
- Attach the MMX3 magnifier to the rail using the provided mounting hardware.
- If necessary, use the included riser for 1.5" and 1.93" heightoverbore optics.
- Tighten all screws securely to ensure a stable mount.

### 2. Usage:

- To switch between magnified and unmagnified views, utilize the integrated sideflip adapter.
- Adjust the elevation and windage dials to align the magnifier with your primary optic.
- Always check the alignment before use to ensure accurate targeting.
- Maintain a proper shooting stance and grip when using the magnifier.

### 3. Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Store the magnifier with the protective covers on when not in use to prevent dust and moisture accumulation.

## Disposal Instructions

- When the magnifier reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the magnifier in regular household waste. Check for local recycling programs or hazardous waste disposal services.

## Contact Information for Further Support

For safety inquiries or additional support, please contact the manufacturer directly. Ensure you have your product information ready for reference.

By following these guidelines, you can ensure the safe and effective use of your Meprolight MMX3 Micro Magnifier. Always prioritize safety and responsible use. Thank you for your attention to these important instructions.
