

MMX3 - MEPRO MMX3, MICRO MAGNIFIER 3x QUICK FLIP-MOUNT

The Meprolight MMX3 is a lightweight, durable 3x magnifier designed to enhance the effective range of your red dot or reflex sight without requiring re-zeroing. Its compact design saves rail space and minimizes added weight, making it ideal for tactical and competitive shooting scenarios.

1. 3x Magnification: Extends the range of red dot sights for improved target identification.
2. Flip-to-Side Mount: Integrated side-flip adapter allows quick transition between magnified and unmagnified views.
3. No Zeroing Required: Maintains alignment with your primary optic without additional adjustments.
4. Adjustable Alignment: Elevation and windage dials provide precise field-of-view alignment.
5. Wide Field of View: 7.2° angular field enables rapid target acquisition with both eyes open.
6. Durable Construction: IPX7-rated for water resistance; operates in temperatures from -4°F to 122°F (-20°C to 50°C).
7. Compatibility: Fits MIL-STD-1913 Picatinny rails; includes riser for 1.5" and 1.93" height-over-bore optics.
8. Protective Covers: Comes with black and FDE rubber covers to safeguard the optic when not in use.

MMX3 MEPRO MMX3 Micro Magnifier Safety Instruction Guide

Introduction

Thank you for choosing the Meprolight MMX3 Micro Magnifier. This guide provides essential safety instructions to ensure the safe and effective use of your magnifier. Please read this document carefully to understand how to use the product safely and responsibly.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the magnifier before use for any visible damage or defects.
- Keep the magnifier out of reach of children and vulnerable individuals.
- Do not attempt to disassemble or modify the magnifier.
- Use the magnifier in accordance with the manufacturer's instructions to avoid accidents and injuries.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Eye Safety:** Always use appropriate eye protection when using the magnifier in conjunction with firearms or other equipment.
- **Environmental Conditions:** Avoid using the magnifier in extreme weather conditions that exceed its operational limits (4°F to 122°F or 20°C to 50°C).
- **Water Resistance:** The MMX3 is IPX7 rated for water resistance; however, do not submerge the device in water.
- **Secure Mounting:** Ensure that the magnifier is securely mounted to the rail to prevent it from becoming loose during use.
- **Proper Handling:** Handle the magnifier with care to avoid dropping it, which could cause damage.

Instructions for Installation and Usage

Installation

1. **Prepare the Rail:** Ensure that the MILSTD1913 Picatinny rail is clean and free from debris.
2. **Attach the Mount:**
 - Align the flipside mount of the MMX3 with the rail.
 - Securely tighten the mounting screws using the appropriate tool to ensure stability.
 - If using the riser, attach it first before securing the magnifier.

Usage

1. **Adjust Alignment:**
 - Use the elevation and windage dials to align the magnifier with your primary optic for precise field of view alignment.
2. **Switching Views:**
 - To transition between magnified and unmagnified views, simply flip the magnifier to the side using the integrated sideflip adapter.
3. **Target Acquisition:**
 - Utilize the wide field of view (7.2° angular field) for rapid target acquisition with both eyes open.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the magnifier in regular household waste.
- Consider recycling the product to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding safety and product issues, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy using your Meprolight MMX3 Micro Magnifier responsibly and safely!
