

## Marlin Lever Loops Steel - Marlin 1894 Lever Loop Straight Grip Stock | Medium Loop (black)

[Rifle Parts](#) > [Grip Parts](#)

Compatibility: Fits Marlin 1894 rifles with a straight stock.

Not Compatible: Does not fit Marlin 1894 .357 Magnum (2023 and newer, Mayodan, NC) or models with a pistol grip.

May Require Fitting: Suitable for rifles dating back to 1950, but gunsmith fitting may be necessary as many lever-action rifles are hand-fitted at the factory.

Finish: Durable, scratch-resistant Salt Bath Black Nitride coating for exceptional wear resistance.

# Marlin Lever Loops Steel Marlin 1894 Lever Loop Straight Grip Stock Safety Instructions

## Introduction

Thank you for choosing the Marlin Lever Loops Steel Marlin 1894 Lever Loop Straight Grip Stock. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the product is compatible with your specific model of Marlin 1894 rifle.
- Inspect the product for any visible defects or damages before installation and use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep the product and firearms out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Compatibility Check:** This product is designed to fit Marlin 1894 rifles with a straight stock. It is not compatible with Marlin 1894 .357 Magnum models from 2023 and newer, or models with a pistol grip.
- **Fitting Requirements:** While suitable for rifles dating back to 1950, gunsmith fitting may be necessary as many leveraction rifles are handfitted at the factory. Consult a qualified gunsmith if you are unsure about the fitting process.
- **Proper Handling:** Always ensure that the rifle is unloaded before making any modifications or adjustments to the stock.
- **Inspection PostInstallation:** After installation, check the stock for secure attachment before using the rifle.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools, including screwdrivers and any fitting tools recommended by your gunsmith.
- Ensure your workspace is clean and welllit.

### 2. Installation Steps:

- Ensure the rifle is unloaded.
- Remove the existing stock from the rifle by unscrewing the stock screws.
- Align the Marlin Lever Loop Straight Grip Stock with the rifle's receiver.
- Securely fasten the stock using the screws provided, ensuring no gaps between the stock and receiver.
- If fitting is required, consult with a qualified gunsmith for proper adjustments.

### 3. Usage Guidelines:

- Regularly inspect the stock for any signs of wear or damage.
- Maintain the stock by cleaning it regularly to prevent corrosion and scratches.
- Store the rifle in a secure location when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product is damaged beyond repair, consult local guidelines for the safe disposal of firearms components.

## **Contact Information for Further Support**

For any safety inquiries or further support related to the Marlin Lever Loops Steel Marlin 1894 Lever Loop Straight Grip Stock, please refer to the contact information provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible firearm handling and maintenance. Enjoy your shooting experience responsibly!
