# M1500 Walnut Stock Safety Instructions

## Introduction

Thank you for choosing the M1500 Walnut Stock for your Howa Mini Action rifle. This guide provides important safety instructions and guidelines to ensure safe usage and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the rifle is always pointed in a safe direction.
- Keep your finger off the trigger until ready to shoot.
- Always treat the firearm as if it is loaded.
- Store the rifle and stock in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the stock and rifle for signs of wear or damage.
- Do not use the stock if it is damaged or shows signs of excessive wear.
- Be aware of your surroundings and ensure you have a clear line of sight before firing.
- Follow all local laws and regulations regarding firearm usage and hunting.

## Specific Safety Precautions for Use

- The M1500 Walnut Stock is designed for use with Howa Mini Action barreled actions only. Do not attempt to use it with other models or brands.
- Always ensure the stock is securely attached to the barreled action before use.
- The rubber recoil pad is designed to absorb recoil; ensure it is in good condition for optimal performance.
- If you are inexperienced with firearms, seek training or assistance from a qualified instructor before using this product.
- Use appropriate ammunition as specified by the manufacturer of your barreled action.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the barreled action is unloaded and the safety is engaged.
- Remove any existing stock from the barreled action according to the manufacturer's instructions.
- Align the Howa M1500 Walnut Stock with the barreled action.
- Securely fasten the stock to the barreled action using the provided screws, ensuring they are tightened but not overtightened.
- Attach the rubber recoil pad if it is not preinstalled.
- Install the sling swivel studs if not preinstalled, ensuring they are securely fastened.

### 2. Usage

- Always perform a safety check before each use to ensure the rifle is functioning correctly.
- When ready to shoot, ensure you are in a safe shooting position with a clear target.
- After use, clean the rifle and stock according to the manufacturer's recommendations to maintain their condition.

## Disposal Instructions

- Dispose of the M1500 Walnut Stock responsibly.
- If the stock is damaged or no longer needed, do not throw it in regular trash.
- Contact local waste management authorities for proper disposal methods.
- Ensure all parts are disposed of in accordance with local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the M1500 Walnut Stock, please reach out to your local Howa retailer or manufacturer. They can provide assistance and information regarding safety, maintenance, and any product-related inquiries.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Howa M1500 Walnut Stock. Always prioritize safety and be responsible in your firearm usage. Thank you for your attention to these important guidelines.
