M1500 Walnut Stock Safety Instruction Guide

Introduction

Thank you for choosing the M1500 Walnut Stock for your Howa 1500 Short Action rifle. This guide provides essential safety information and instructions to ensure safe and effective use of your new rifle stock. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Use appropriate safety gear, including eye and ear protection, when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your rifle stock and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the rifle stock is compatible with your Howa M1500 barreled action before use.
- Check that the rubber recoil pad is securely attached to avoid injury during shooting.
- Avoid using the rifle stock in extreme weather conditions that may affect its performance.
- Do not modify the stock or firearm, as this may compromise safety and performance.
- Always keep the muzzle pointed in a safe direction when handling the firearm.
- Be cautious when using sling swivel studs; ensure they are properly installed to prevent accidental detachment.

Instructions for Installation and Usage

1. Preparation

- Ensure you have the necessary tools for installation, including a screwdriver.
- Work in a clean, dry area to prevent dirt and debris from entering the firearm.

2. Installation

- Remove the barreled action from your Howa M1500 rifle.
- Align the barreled action with the M1500 Walnut Stock.
- Securely attach the barreled action to the stock using the provided screws. Ensure they are tightened properly but do not overtighten.
- Attach the rubber recoil pad if it is not preinstalled.
- Confirm that the sling swivel studs are properly installed and secure.

3. Usage

- Before shooting, ensure that the stock is securely attached to the barreled action.
- Check the functionality of the rifle and ensure it operates smoothly with the new stock.
- When ready to shoot, adopt a stable shooting position and ensure the firearm is aimed safely.

Disposal Instructions

- Dispose of the M1500 Walnut Stock responsibly in accordance with local regulations.
- If the stock is damaged or no longer usable, consider recycling the wood and rubber components where facilities exist.

- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding your M1500 Walnut Stock, please refer to your local Howa dealer or authorized service center for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your M1500 Walnut Stock. Thank you for your commitment to safety and responsible firearm ownership.
