

# 3-18x42 Meta - 3-18x42 Meta 1.FP SBX 0.1 mrad ccw ST LT / ST ZC LT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The latest innovation in riflescope technology has arrived: the 3-18x42 Meta (1. BE) combines state-of-the-art engineering, proven functionality, and a striking new design to captivate both hunters and sport shooters alike. With a host of new configurations and unique features, this riflescope sets a new standard for precision, versatility, and performance.

New SBX Reticle – Specifically developed for maximum targeting precision, the SBX reticle is perfectly suited for a wide range of shooting applications.

First Focal Plane (FFP) Reticle – The reticle’s scale adjusts perfectly across all magnifications, ensuring consistent target acquisition. Its intelligent design allows for effective use even at lower magnification levels.

Refined Exterior Design – Compact, bold, and ergonomic. Optimized turrets and a streamlined profile deliver intuitive operation and a modern, distinctive look.

Battle-Proven Turrets – Built for endurance, these robust turrets have been tested under extreme conditions, guaranteeing absolute reliability and repeatable accuracy.

Optimized for Clip-On Devices – The improved diopter adjustment enables a seamless transition between the eyepiece and the main tube, making it ideal for use with night vision or thermal attachments.

Enhanced Zoom Control – The TMR magnification ring allows for effortless operation and full compatibility with the S&B Throw Lever, providing faster and smoother magnification adjustments in any situation.

Includes Tenebraex Lens Covers – Premium protection for both the objective and eyepiece lenses, ensuring durability and clarity in all weather conditions.

Designed for both hunting and sport shooting, the 3-18x42 Meta (1. BE) builds upon the proven performance of its predecessor while introducing groundbreaking innovations. It’s the ultimate companion for demanding hunters, mid-range precision shooters, and dynamic shooting disciplines — a true benchmark in modern riflescope design.

# Safety Instruction Guide for 3-18x42 Meta Riflescope

## Introduction

Thank you for choosing the 3-18x42 Meta Riflescope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your riflescope. Please read this document carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This riflescope is designed for safe use. Always follow the safety guidelines to avoid accidents and injuries.
- **Enhanced Recalls:** In the event of safety concerns, stay informed about any recalls related to this product by checking official sources.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations, just as physical stores do.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of vulnerable groups.
- **EU Contact Point:** For any safety inquiries, refer to the provided contact information from your retailer or manufacturer.
- **Rapid Alerts:** Stay updated on product safety through the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care. Avoid dropping or exposing it to extreme conditions.
- **Installation:** Ensure the riflescope is securely mounted to prevent it from becoming dislodged during use.
- **Magnification:** Adjust magnification settings carefully. Sudden changes can lead to loss of target focus.
- **Eye Protection:** Always use appropriate eye protection when using firearms equipped with this riflescope.
- **Environmental Conditions:** Avoid using the riflescope in adverse weather conditions that may impair visibility or safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded before installation.
- Securely mount the riflescope onto the rifle using compatible mounting rings.
- Check that the scope is level and aligned with the rifle barrel.

### 2. Adjusting the Reticle:

- Familiarize yourself with the SBX reticle. Adjust settings according to your shooting needs.
- Use the diopter adjustment for clarity based on your eyesight.

### 3. Zoom Control:

- Use the TMR magnification ring to adjust zoom levels smoothly.
- Practice adjusting the zoom in a safe environment before actual use.

### 4. Maintenance:

- Clean the lenses with a soft, lintfree cloth to avoid scratches.
- Store the riflescope in a dry and safe place when not in use.

## **Disposal Instructions**

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries, please refer to the contact information provided by your retailer or manufacturer.

By following these guidelines, you can ensure the safe and effective use of your 3-18x42 Meta Riflescope. Always prioritize safety and responsibility when using firearms. Thank you for your attention to these important safety instructions.
