[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The latest innovation in riflescope technology has arrived: the 3-18x42 Meta (1. BE) combines state-of-the-art engineering, proven functionality, and a striking new design to captivate both hunters and sport shooters alike. With a host of new configurations and unique features, this riflescope sets a new standard for precision, versatility, and performance.

New SBX Reticle – Specifically developed for maximum targeting precision, the SBX reticle is perfectly suited for a wide range of shooting applications.

First Focal Plane (FFP) Reticle – The reticle’s scale adjusts perfectly across all magnifications, ensuring consistent target acquisition. Its intelligent design allows for effective use even at lower magnification levels.

Refined Exterior Design – Compact, bold, and ergonomic. Optimized turrets and a streamlined profile deliver intuitive operation and a modern, distinctive look.

Battle-Proven Turrets – Built for endurance, these robust turrets have been tested under extreme conditions, guaranteeing absolute reliability and repeatable accuracy.

Optimized for Clip-On Devices – The improved diopter adjustment enables a seamless transition between the eyepiece and the main tube, making it ideal for use with night vision or thermal attachments.

Enhanced Zoom Control – The TMR magnification ring allows for effortless operation and full compatibility with the S&B Throw Lever, providing faster and smoother magnification adjustments in any situation.

Includes Tenebraex Lens Covers – Premium protection for both the objective and eyepiece lenses, ensuring durability and clarity in all weather conditions.

Designed for both hunting and sport shooting, the 3-18x42 Meta (1. BE) builds upon the proven performance of its predecessor while introducing groundbreaking innovations. It’s the ultimate companion for demanding hunters, mid-range precision shooters, and dynamic shooting disciplines — a true benchmark in modern riflescope design.

Attributes

- Name: [3-18x42 Meta 1.FP SBX 0.1 mrad ccw DT23 LT / ST ZC LT](#)
- Manufacturer: [SCHMIDT U. BENDER](#)
- Product no.: EU2015706
- Mfr. No.: 158-811-332-Q9-H2B03
- Colour: Black
- Delivery weight: 2kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 450mm

Safety Instruction Guide for 3-18x42 Meta Riflescope

Introduction

Thank you for choosing the 3-18x42 Meta Riflescope. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this manual carefully before using the riflescope. Following these guidelines will help you enjoy a safe and effective shooting experience.

General Safety Guidelines

- **Product Safety:** This riflescope is designed to meet safety standards for nonfood products. Ensure you use it according to the instructions provided.
- **Enhanced Recalls:** In the event of a recall, you will receive standardized notices. Follow the instructions for returning or remedying the product.
- **Online Shopping:** If you purchased this product online, rest assured that it meets the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the product documentation for EU-based contact information.
- **Rapid Alerts:** Stay informed about product safety by checking updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the riflescope to safeguard against potential hazards.
- **Secure Mounting:** Ensure the riflescope is securely mounted to prevent it from becoming loose during use.
- **Environmental Conditions:** Do not use the riflescope in extreme weather conditions (e.g., heavy rain, snow) that could damage the device.
- **Handling:** Handle the riflescope with care. Avoid dropping or striking it against hard surfaces, which could compromise its functionality.
- **Cleaning:** Use only recommended cleaning materials to avoid scratching the lenses or damaging the exterior.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded before installing the riflescope.
- Use the appropriate mounting rings to secure the riflescope to the rifle.
- Align the riflescope with the barrel to ensure proper sighting.
- Tighten all screws and mounts securely, following the manufacturer's torque specifications.

2. Usage:

- Adjust the magnification ring to your preferred level for the shooting distance.
- Use the SBX reticle for precise targeting. Familiarize yourself with its features before heading to the field.
- Always check the zeroing of the riflescope before your shooting session to ensure accuracy.
- Practice safe shooting habits, including identifying your target and what lies beyond it.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Remove batteries (if applicable) before disposal and recycle them according to local guidelines.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any additional questions or concerns regarding the safety and use of your 3-18x42 Meta Riflescope, please refer to the product documentation for the relevant contact information.

By adhering to these safety instructions, you can ensure a safer and more enjoyable experience with your 3-18x42 Meta Riflescope. Thank you for your commitment to safety.
