

3-18x42 Meta - 3-18x42 Meta LP7 2.FP 1cm cw Posicon CT / Posicon CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-18x42 Meta combines exceptional optical clarity with powerful performance, delivering a premium shooting experience for both hunters and precision marksmen. Its wide field of view, paired with the LP7 reticle featuring an illuminated red dot, provides superior situational awareness and lightning-fast target acquisition.

Unmatched precision is achieved through patented Zero Deviation Technology, a parallax adjustment starting from 20 m, and a generous internal adjustment range, ensuring consistent accuracy even at long distances.

For enhanced mounting flexibility, the 3-18x42 Meta features the innovative "LPI" system – an illumination control integrated into the parallax adjustment turret. This smart design improves ergonomics and handling, offering smooth operation for both right- and left-handed shooters.

The slim, streamlined construction of the scope makes it perfectly compatible with clip-on devices, while the reinforced ocular ring allows secure attachment of dust covers or add-on optics.

With its blend of cutting-edge technology, robust build quality, and refined usability, the 3-18x42 Meta stands as a true symbol of precision engineering – designed to deliver reliability, adaptability, and clarity in every shooting scenario.

Safety Instruction Guide for the 318x42 Meta Rifle Scope

Introduction

Thank you for choosing the 318x42 Meta Rifle Scope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual thoroughly before using the scope to maximize safety and performance.

General Safety Guidelines

- Ensure safe handling and use of the rifle scope to prevent accidents.
- Always treat the rifle scope as if it is loaded, even if it is not.
- Keep the rifle scope away from children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm usage and scope installation.
- Use the scope only for its intended purpose, which is to enhance shooting accuracy.

Specific Safety Precautions for Use

- Always use protective eyewear when using the rifle scope to prevent eye injury.
- Avoid looking directly at the sun through the scope, as this can cause severe eye damage.
- Ensure that the rifle is securely mounted and that the scope is properly aligned to prevent it from moving during use.
- Do not modify the scope or its components, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that you have a clear line of sight before taking a shot.

Instructions for Installation and Usage

1. Installation

- Carefully read the installation instructions provided in the scope packaging.
- Ensure that you have all necessary tools and components before beginning the installation process.
- Mount the scope onto the rifle using the provided mounting rings and base. Make sure it is securely fastened.
- Adjust the scope to ensure proper eye relief and alignment.

2. Usage

- Before using the scope, familiarize yourself with the LP7 reticle and its features.
- Adjust the parallax setting according to the distance of your target (starting from 20 m).
- Use the illumination control integrated into the parallax adjustment turret for optimal visibility in varying light conditions.
- Practice target acquisition and shooting techniques in a safe environment before heading into the field.

Disposal Instructions

- Dispose of the scope and its packaging in accordance with local waste disposal regulations.
- Do not dispose of the scope in regular household waste. Check for recycling programs in your area.
- If the scope is damaged or no longer functional, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the EUbased contact point provided with your product. You can also check for recall updates on the EU's Safety Gate platform.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your 318x42 Meta Rifle Scope. Thank you for your attention to safety, and happy shooting!
