

3-18x42 Meta - 3-18x42 Meta LP7 2.FP 1cm cw BDC II LT / Posicon CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-18x42 Meta combines exceptional optical clarity with powerful performance, delivering a premium shooting experience for both hunters and precision marksmen. Its wide field of view, paired with the LP7 reticle featuring an illuminated red dot, provides superior situational awareness and lightning-fast target acquisition.

Unmatched precision is achieved through patented Zero Deviation Technology, a parallax adjustment starting from 20 m, and a generous internal adjustment range, ensuring consistent accuracy even at long distances.

For enhanced mounting flexibility, the 3-18x42 Meta features the innovative "LPI" system – an illumination control integrated into the parallax adjustment turret. This smart design improves ergonomics and handling, offering smooth operation for both right- and left-handed shooters.

The slim, streamlined construction of the scope makes it perfectly compatible with clip-on devices, while the reinforced ocular ring allows secure attachment of dust covers or add-on optics.

With its blend of cutting-edge technology, robust build quality, and refined usability, the 3-18x42 Meta stands as a true symbol of precision engineering – designed to deliver reliability, adaptability, and clarity in every shooting scenario.

Safety Instruction Guide for the 3-18x42 Meta Rifle Scope

Introduction

Thank you for choosing the 3-18x42 Meta Rifle Scope. This guide provides essential safety information and instructions for the safe use, installation, and disposal of your product. Please read this guide carefully to ensure a safe and enjoyable shooting experience.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a rifle scope.
- Always follow local laws and regulations regarding firearm use and scope installation.
- Keep the scope out of reach of children and unauthorized users.
- Inspect the scope regularly for any signs of damage or wear.
- Do not modify or disassemble the scope, as this may compromise safety and performance.
- Store the scope in a dry, cool place when not in use to prevent damage.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when attaching or detaching the scope.
- Use the scope only when you are in a safe shooting environment.
- Be aware of your surroundings and ensure that there are no people or animals in the line of fire.
- Do not look directly at the sun through the scope, as this can cause serious eye damage.
- When using the illuminated reticle, ensure that the brightness is set to a comfortable level to avoid glare.
- If you notice any irregularities in the scope's performance, cease use immediately and seek assistance.

Instructions for Installation and Usage

Installation

1. Gather Tools Needed:

- Screwdriver
- Mounting rings (if not included)
- Torque wrench (recommended)

2. Mounting the Scope:

- Ensure the firearm is unloaded.
- Attach the mounting rings to the rifle's base according to the manufacturer's instructions.
- Place the scope into the rings and adjust its position for optimal eye relief.
- Tighten the mounting screws gradually and evenly to secure the scope.

3. Adjusting the Parallax:

- Set the parallax adjustment to the appropriate distance based on your shooting range (starting from 20 m).

4. Setting the Reticle:

- Adjust the illumination of the LP7 reticle as needed for visibility.

Usage

1. Before Shooting:

- Perform a final check to ensure the scope is securely mounted.
- Confirm that the firearm is pointed in a safe direction.

2. Aiming:

- Use the wide field of view to identify your target.
- Align the reticle with your target and make any necessary adjustments for windage and elevation.

3. Shooting:

- Maintain a stable shooting position.
- Follow proper firearm handling practices.

Disposal Instructions

- Dispose of the scope in accordance with local regulations regarding electronic and optical devices.
- Do not dispose of the scope in regular household waste.
- If the scope is damaged or no longer functional, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 3-18x42 Meta Rifle Scope, please reach out to your local authorized dealer or the manufacturer's customer support service.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the 3-18x42 Meta Rifle Scope!
