

3-18x42 Meta - 3-18x42 Meta LP7 2.FP 1cm cw BDC II-B LT/ Posicon CT

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-18x42 Meta combines exceptional optical clarity with powerful performance, delivering a premium shooting experience for both hunters and precision marksmen. Its wide field of view, paired with the LP7 reticle featuring an illuminated red dot, provides superior situational awareness and lightning-fast target acquisition.

Unmatched precision is achieved through patented Zero Deviation Technology, a parallax adjustment starting from 20 m, and a generous internal adjustment range, ensuring consistent accuracy even at long distances.

For enhanced mounting flexibility, the 3-18x42 Meta features the innovative "LPI" system – an illumination control integrated into the parallax adjustment turret. This smart design improves ergonomics and handling, offering smooth operation for both right- and left-handed shooters.

The slim, streamlined construction of the scope makes it perfectly compatible with clip-on devices, while the reinforced ocular ring allows secure attachment of dust covers or add-on optics.

With its blend of cutting-edge technology, robust build quality, and refined usability, the 3-18x42 Meta stands as a true symbol of precision engineering – designed to deliver reliability, adaptability, and clarity in every shooting scenario.

Safety Instruction Guide for the 318x42 Meta Rifle Scope

Introduction

Thank you for choosing the 318x42 Meta Rifle Scope. This guide provides important safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before using the scope.

General Safety Guidelines

- Ensure proper handling and usage to prevent accidents.
- Always handle the rifle scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of rifle scopes and firearms.
- Store the scope in a secure and dry location when not in use.

Specific Safety Precautions for Use

- Always use the scope in a safe environment, free from distractions and hazards.
- Ensure the firearm is pointed in a safe direction at all times when using the scope.
- Do not attempt to disassemble or modify the scope; this may void the warranty and pose safety risks.
- Use the scope only for its intended purpose; misuse can lead to accidents or injury.
- Be aware of your surroundings and ensure that your target area is clear before shooting.
- Always wear appropriate eye and ear protection when using firearms equipped with the scope.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded before installation.
- Mount the scope securely to the rifle using the provided mounting rings or bases.
- Align the scope properly with the barrel for optimal accuracy.
- Tighten the mounting screws securely but avoid overtightening, which may damage the scope or firearm.
- If applicable, adjust the parallax setting according to the distance of your target, starting from 20 m.

2. Usage

- Familiarize yourself with the LP7 reticle and its functions before shooting.
- Adjust the illumination of the reticle as needed for different lighting conditions.
- Practice using the scope at a shooting range to gain confidence and improve accuracy.
- Regularly check and adjust the zero setting to maintain precision over time.
- After use, clean the scope gently with a soft cloth to remove any dust or debris.

Disposal Instructions

- When disposing of the scope, follow local regulations regarding electronic waste and hazardous materials.
- Remove any batteries and dispose of them according to local guidelines.
- If the scope is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 318x42 Meta Rifle Scope, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your 318x42 Meta Rifle Scope. Thank you for your attention to these important safety instructions.
