[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The 3-18x42 Meta combines exceptional optical clarity with powerful performance, delivering a premium shooting experience for both hunters and precision marksmen. Its wide field of view, paired with the LP7 reticle featuring an illuminated red dot, provides superior situational awareness and lightning-fast target acquisition.

Unmatched precision is achieved through patented Zero Deviation Technology, a parallax adjustment starting from 20 m, and a generous internal adjustment range, ensuring consistent accuracy even at long distances.

For enhanced mounting flexibility, the 3-18x42 Meta features the innovative “LPI” system – an illumination control integrated into the parallax adjustment turret. This smart design improves ergonomics and handling, offering smooth operation for both right- and left-handed shooters.

The slim, streamlined construction of the scope makes it perfectly compatible with clip-on devices, while the reinforced ocular ring allows secure attachment of dust covers or add-on optics.

With its blend of cutting-edge technology, robust build quality, and refined usability, the 3-18x42 Meta stands as a true symbol of precision engineering – designed to deliver reliability, adaptability, and clarity in every shooting scenario.

Safety Instruction Guide for 3-18x42 Meta Rifle Scope

Introduction

Thank you for choosing the 3-18x42 Meta Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the scope is used only for its intended purpose as a rifle scope.
- Always handle the scope and your firearm with care.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or wear.
- If you notice any abnormalities, discontinue use immediately and seek professional assistance.
- Follow all local laws and regulations regarding the use of firearms and optical devices.

Specific Safety Precautions for Use

- **Avoid Eye Injury:** Always use the scope with proper eye protection. Ensure that the ocular lens is clean and free of obstructions.
- **Mounting Safety:** Ensure the scope is properly mounted to the rifle according to the manufacturer's instructions. An improperly mounted scope can lead to misalignment and accidents.
- **Target Identification:** Always positively identify your target before shooting. Do not shoot at movement or sounds.
- **Secure Storage:** When not in use, store the scope in a secure location to prevent unauthorized access.
- **Environmental Considerations:** Avoid exposing the scope to extreme temperatures, moisture, or direct sunlight for extended periods.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable mounting base for your rifle.
- Align the scope with the mounting base and secure it using the provided screws.
- Ensure the scope is level and properly aligned with the rifle barrel.
- Tighten the mounting screws securely but do not overtighten, as this may damage the scope.

2. Usage:

- Adjust the parallax according to the distance of your target, starting from a minimum of 20 m.
- Use the LP7 reticle to assist with aiming. The illuminated red dot enhances visibility in lowlight conditions.
- Make adjustments to the elevation and windage settings as necessary for accurate shooting.
- Regularly check the zeroing of the scope to maintain accuracy.

Disposal Instructions

- Dispose of the scope and its components in accordance with local regulations.
- Do not dispose of electronic components in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For further assistance or inquiries regarding the 3-18x42 Meta Rifle Scope, please reach out to your local retailer or the manufacturer directly. Ensure you have your product details ready for efficient support.

Conclusion

By following these safety guidelines, you can ensure a safe and enjoyable experience with your 3-18x42 Meta Rifle Scope. Always prioritize safety and responsible use. Thank you for your attention to these important instructions.
