# Safety Instruction Guide for SMITH & WESSON Alpha Competition S&W M&P Trigger

## Introduction

Thank you for choosing the SMITH & WESSON Alpha Competition S&W M&P Trigger. This guide provides essential safety information to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that all safety instructions are followed to avoid accidents and injuries.
- Always treat your firearm with respect and follow all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Use only compatible models: The SMITH & WESSON Alpha Competition Trigger is designed for the Smith and Wesson M and P Gen 1 and Gen 2.0. It is **not compatible** with the Smith and Wesson M and P Shield.
- Ensure proper installation: Follow the installation instructions carefully to avoid malfunctions.
- Avoid modifications: Do not attempt to modify the trigger or any part of the firearm, as this may lead to safety hazards.
- Always check the pull weight: The factory trigger pull is set at 3 lb. Ensure that this weight is maintained for safe operation.
- Use proper handling techniques: Always keep the firearm pointed in a safe direction and keep your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

### 2. Installation Steps:

- Remove the factory trigger from the firearm according to the manufacturer's instructions.
- Install the SMITH & WESSON Alpha Competition Trigger by following the steps below:
  - Align the trigger shoe with the trigger mechanism.
  - Secure the trigger in place using the factory parts and springs.
  - Ensure the integrated pivoting finger safety is functioning properly.
- Test the trigger pull to ensure it is set at the factory specification of 3 lb.

### 3. Usage:

- After installation, perform a function check to ensure proper operation.
- Always practice safe firearm handling and follow all relevant safety guidelines.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and firearm components.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SMITH & WESSON Alpha Competition S&W M&P Trigger, please refer to the manufacturer's contact information provided with your product. Ensure to keep this guide for future reference.

Thank you for prioritizing safety and responsible firearm use.
