

Rock Rest - Rock 2 with Rear Rest

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

To build true accuracy, you need a solid foundation—and the Caldwell Rock 2 delivers just that. Designed with decades of in-field experience and feedback from precision-focused rifle shooters, the Rock 2 incorporates several enhancements that make it one of the best shooting rests on the market.

Its solid iron base with a wide stance provides exceptional stability, while upgraded spiked steel feet with removable rubber pads allow use on any type of bench top. A large elevation wheel enables precise vertical adjustments, and the added windage control makes horizontal alignment quick and effortless. The all-weather DeadShot Air front bag fits a variety of stock profiles and includes clearance for sling swivel studs.

Safety Instruction Guide for Caldwell Rock Rest Rock 2 with Rear Rest

Introduction

Thank you for choosing the Caldwell Rock Rest Rock 2 with Rear Rest. This product is designed to enhance your shooting experience by providing a stable and precise shooting platform. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure the shooting rest is on a stable and level surface before use.
- Inspect the product for any damages or defects before each use.
- Keep the product away from children and unauthorized users.
- Use only as intended for shooting sports; do not use for any other purposes.
- Avoid using the product in wet or damp conditions to prevent slipping or instability.
- Always follow the manufacturer's instructions for safe handling and operation.

Specific Safety Precautions for Use

- Ensure that the area around the shooting rest is clear of obstructions and bystanders.
- Always keep the muzzle of the firearm pointed in a safe direction when using the rest.
- Do not exceed the weight limit specified in the product specifications, as this may compromise stability.
- When making adjustments, ensure your hands are clear of any moving parts.
- Use appropriate eye and ear protection while shooting.
- Be mindful of your surroundings, including the backdrop of your shooting area.

Instructions for Installation and Usage

1. Setting Up the Rock Rest:

- Place the Rock Rest on a stable and level surface.
- Ensure the spiked steel feet are securely positioned, and the rubber pads are properly attached.

2. Adjusting the Elevation and Windage:

- Use the elevation wheel to make precise vertical adjustments to the shooting rest.
- Adjust the windage control for horizontal alignment as needed.

3. Attaching the Front Bag:

- Fit the allweather DeadShot Air front bag onto the front rest frame.
- Ensure it is securely attached and adjust for your specific stock profile.

4. Using the Rear Bag:

- Attach the DeadShot Air Molded Rear Bag to the rear rest frame.
- Choose the desired height option for optimal support.

5. Transporting the Rock Rest:

- When transporting, ensure all components are securely connected.
- Store in a dry place to prevent any damage from moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell Rock Rest Rock 2 with Rear Rest. Thank you for your attention to these important safety guidelines.
