

Rock Rest - Rock BR 2

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

For shooters who demand the highest level of precision from their rifles, the Caldwell Rock BR2 Front Rest delivers. Built on more than 20 years of in-the-field experience and shooter feedback, the Rock BR2 includes every feature serious benchrest shooters expect. Ultra-smooth, highly precise elevation and windage adjustments allow you to align your crosshairs perfectly and effortlessly every time.

A rock-solid iron frame keeps the rest firmly planted with zero movement, while three spiked steel leveling feet with removable rubber pads ensure stable, accurate setup on any shooting bench. Two front bags are included: an all-weather DeadShot Air bag and a 3-lobe nylon bag designed for wide benchrest stocks. An adjustable front bag tensioning system allows fine-tuning for an exact stock fit.

Rock Rest Rock BR 2 Safety Instructions

Introduction

Thank you for choosing the Caldwell Rock BR2 Front Rest. This product is designed for shooters who demand precision and stability in their shooting experience. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the Rock BR2 Front Rest before each use to ensure it is in good working condition.
- Keep the product out of reach of children and vulnerable individuals who may not understand its proper use.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shooting bench is stable and secure before setting up the Rock BR2 Front Rest.
- Avoid placing excessive weight on the front rest beyond its designed capacity.
- Do not use the front rest on uneven or unstable surfaces.
- Always ensure that the firearm is unloaded when setting up or adjusting the front rest.
- Use the adjustable front bag tensioning system carefully to avoid sudden movements.
- Ensure that all leveling feet are securely in contact with the shooting surface to prevent tipping.
- Be cautious when adjusting elevation and windage settings to avoid unintended movements.

Instructions for Installation and Usage

1. Setup:

- Place the Rock BR2 Front Rest on a stable shooting bench.
- Adjust the three spiked steel leveling feet to ensure stability. Remove the rubber pads if necessary for better grip.

2. Bag Installation:

- Choose the appropriate front bag (DeadShot Air bag or 3lobe nylon bag) based on your firearm's stock design.
- Insert the chosen bag into the designated area on the front rest.

3. Adjusting the Front Rest:

- Use the elevation and windage adjustments to align your crosshairs with your target.
- Make adjustments slowly and carefully to maintain control over the firearm.

4. Using the Front Rest:

- Position your firearm securely on the front rest.
- Ensure that the firearm is stable and that your hands are clear of the trigger area.
- When ready to shoot, follow standard firearm safety practices.

Disposal Instructions

- Dispose of the Rock BR2 Front Rest in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where applicable.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any safety inquiries or additional information regarding the Rock BR2 Front Rest, please contact the manufacturer or visit their official website. Ensure you have the product information ready for efficient assistance.

By following these safety instructions, you can enjoy a safe and effective shooting experience with the Caldwell Rock BR2 Front Rest. Always prioritize safety and ensure compliance with local laws and regulations regarding firearms and shooting practices.
