For shooters who want to extract maximum accuracy from their rifles, the Caldwell Rock 2 BR Front Rest is the solution. Built on more than 20 years of real-world experience and shooter feedback, the Rock 2 BR delivers every feature serious benchrest shooters expect. Ultra-smooth, highly precise elevation and windage adjustments make perfect crosshair alignment quick and effortless every time.

Its rock-solid iron frame keeps the rest firmly planted with zero movement, while three spiked steel leveling feet with removable rubber pads ensure stable, precise setup on any shooting bench. Two front bags are included: an all-weather DeadShot Air bag and a 3-lobe nylon bag designed for wide benchrest stocks. An adjustable front bag tensioning system allows fine-tuning for an exact stock fit.

Also included is a DeadShot Air Molded Rear Bag, offering four height options and attaching directly to the front rest frame for convenient storage and transport. Get the most precision possible from your rifle with the Caldwell Rock 2 BR Front Rest.

Introduction

Thank you for choosing the Caldwell Rock Rest Rock BR 2 with Rear Rest. This product is designed to enhance your shooting experience by providing stability and precision. To ensure safe usage and maximize the benefits of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a shooting rest.
- Always handle firearms responsibly and follow all local laws and regulations regarding firearm use.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Regularly inspect the product for wear and tear. Do not use if any parts are damaged or missing.
- Report any unsafe product conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the shooting area is clear of people and obstacles before use.
- Use the product on a stable, flat surface to prevent tipping or sliding.
- Do not exceed the weight limit of the rest; refer to the product specifications for details.
- When adjusting the elevation and windage, do so slowly to avoid sudden movements that may affect stability.
- Use the provided rubber pads to enhance grip and stability on various surfaces.
- Ensure that all bags are securely attached before placing the firearm on the rest.
- Do not place your hands or body in front of the firearm when it is mounted on the rest.

Instructions for Installation and Usage

1. Setup:

- Choose a stable shooting bench or table.
- Place the Caldwell Rock Rest Rock BR 2 on the bench, ensuring it is level and stable.
- Adjust the spiked steel leveling feet to ensure a secure fit on the surface.

2. Attaching the Front Bags:

- Select the appropriate front bag based on your firearm's stock type.
- Insert the front bag into the designated slot on the front rest.
- Use the adjustable tensioning system to secure the bag for a precise fit.

3. Using the Rear Bag:

- Attach the DeadShot Air Molded Rear Bag to the rear of the front rest frame.
- Adjust the height of the rear bag to achieve the desired alignment with your firearm.

4. Adjustments:

- To adjust elevation, use the elevation knob for smooth and precise movements.
- For windage adjustments, utilize the windage knob, ensuring the crosshairs remain aligned.

5. Safety Check:

- Before placing your firearm on the rest, ensure that it is unloaded and the safety is engaged.
- Doublecheck that all adjustments are secure and that the rest is stable.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Remove any nonrecyclable components before disposal.
- For further guidance on disposal, refer to your local waste management authority.
