

Rock Rest - Rock Jr 2

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

Don't let the name fool you—the Rock Jr. 2 delivers performance well beyond its size. This value-packed front rest includes all the features a rifle shooter needs. Its rock-solid iron base prevents flex or movement, providing a stable platform for every shot. A large elevation wheel allows precise adjustments for perfect target alignment each time. The all-weather DeadShot Air front bag fits a variety of stock profiles and provides clearance for sling swivel studs. It's no wonder shooters have trusted Caldwell Rock shooting rests for decades to consistently hit the mark.

Rock Rest Rock Jr 2 Safety Instructions

Introduction

Thank you for choosing the Rock Rest Rock Jr 2. This product is designed to provide a stable and reliable platform for rifle shooting. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the Rock Rest Rock Jr 2 is used only for its intended purpose as a rifle rest.
- Always handle firearms with care and follow all safety protocols associated with firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before placing it on the rest.
- Use the rest on a stable and level surface to prevent tipping or movement.
- Adjust the elevation wheel carefully to avoid sudden movements that could lead to accidents.
- Do not exceed the weight limit of the rest; refer to the product specifications for details.
- Avoid using the product in adverse weather conditions that could affect stability.
- Do not place any part of your body in front of the rifle while it is mounted on the rest.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the Rock Rest Rock Jr 2 from its packaging.
- Ensure all components are included and undamaged.

2. Setting Up the Rest

- Place the Rock Rest on a flat and stable surface.
- Ensure the iron base is securely positioned to prevent any movement.

3. Adjusting the Elevation Wheel

- Rotate the elevation wheel to adjust the height of the rest.
- Make small adjustments to ensure precise target alignment.

4. Placing the Rifle

- Ensure the rifle is unloaded.
- Place the rifle securely on the rest, ensuring it is stable and balanced.

5. Shooting

- Take your position behind the rifle and ensure your surroundings are clear.
- Follow standard firearm safety practices while shooting.

6. After Use

- Remove the rifle from the rest and store it safely.
- Clean the product if necessary to maintain its condition.

Disposal Instructions

- When disposing of the Rock Rest Rock Jr 2, follow local regulations for disposal of nonfood products.
- Recycle any materials if applicable, ensuring environmentally responsible disposal.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact points available on the product packaging or website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Rock Rest Rock Jr 2!
