

Nylon Best Bore Brush, .243 Cal / 6mm 3-Pack

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brush is built for serious shooters who demand fast, effective, and safe barrel cleaning. Extra-stiff bristles cut through copper fouling, stubborn carbon, and residue to significantly reduce cleaning time. Unlike standard nylon brushes, the thick bristles resist breakdown from aggressive scrubbing and harsh cleaning solvents, delivering long-lasting performance.

Designed with a non-marring brass core, this brush is 100% safe for both rifle and pistol barrels. Available in 14 sizes from .17 caliber to .50 caliber, the Tipton Best Nylon Bore Brush provides superior cleaning power across a wide range of firearms. Sold in packs of three.

Safety Instruction Guide for Tipton Best Nylon Bore Brush

Introduction

Thank you for choosing the Tipton Best Nylon Bore Brush. This product is designed for serious shooters who require efficient and safe barrel cleaning. To ensure your safety and the effectiveness of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the bore brush with care to prevent injury.
- Keep the bore brush out of reach of children.
- Inspect the bore brush before each use for any damage or wear.
- Use the bore brush only for its intended purpose – cleaning firearm barrels.
- Store the bore brush in a safe, dry place when not in use.
- If you notice any unusual behavior or performance issues, discontinue use and consult the manufacturer.

Specific Safety Precautions for Use

- Ensure firearms are unloaded before cleaning.
- Always wear appropriate eye protection while cleaning.
- Avoid using excessive force when scrubbing to prevent damage to the barrel.
- Do not use the bore brush with any cleaning solvent that is not recommended by the firearm manufacturer.
- If cleaning solvents come into contact with skin or eyes, follow the manufacturer's safety instructions for the solvent.
- Dispose of used cleaning materials and solvents according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning solvent, and a cleaning rod.

2. Installation:

- Attach the bore brush to the cleaning rod securely.
- Ensure the connection is tight to prevent the brush from detaching during use.

3. Usage:

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the barrel from the chamber end (if applicable).
- Gently push the brush through the barrel and pull it back out. Repeat this process several times.
- After cleaning, run a dry patch through the barrel to remove any remaining solvent and debris.

4. PostCleaning:

- Inspect the bore for cleanliness.
- Store the bore brush and cleaning supplies in a safe location.

Disposal Instructions

- Dispose of the bore brush in accordance with local waste management regulations.
- Do not dispose of cleaning solvents or materials in regular household waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tipton Best Nylon Bore Brush, please refer to the contact information provided with the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Tipton Best Nylon Bore Brush. Thank you for your attention to safety.
