MDT TIMBR Core MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the MDT TIMBR Core MDT Chassis for your Savage 110 rifle. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure the MDT TIMBR Core Chassis is compatible with your firearm model before installation.
- Regularly inspect your chassis for any signs of wear or damage.
- Store the chassis in a safe and secure location when not in use.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate eye protection and hearing protection while using firearms.
- **Check for Obstructions:** Before firing, ensure that there are no obstructions in the barrel or action of the firearm.
- **Proper Torque Settings:** Follow the manufacturer's specifications for torque settings when securing the chassis to the action.
- **Avoid Modifications:** Do not modify the chassis or any components, as this may compromise safety and performance.
- **Regular Maintenance:** Clean and maintain your chassis and firearm regularly to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Savage 110 rifle by unscrewing the action screws.
- Align the action of the rifle with the Vblock bedding system of the MDT TIMBR Core Chassis.
- Secure the action to the chassis using the provided screws, ensuring to follow the recommended torque settings.
- Check that the action is properly seated and that there is no play or movement.

2. Usage Instructions:

- Once installed, familiarize yourself with the ergonomics of the chassis, including grip angles and adjustable LOP spacers.
- Practice safe handling and shooting techniques at the range or in a controlled environment.
- Ensure that you are using appropriate ammunition for your firearm and chassis setup.

Disposal Instructions

- Dispose of the MDT TIMBR Core Chassis in accordance with local regulations for electronic and nonelectronic waste.

- Do not dispose of the chassis in general household waste.
- Contact your local waste management authority for information on proper disposal methods.
