MDT Chassis LSS Gen3 System Safety Instructions

Introduction

Thank you for choosing the MDT Chassis LSS Gen3 System. This product is designed for lefthanded shooters and is engineered to provide exceptional precision and ergonomics. To ensure safe and effective use of this chassis system, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the MDT Chassis is compatible with your specific rifle model before installation.
- Regularly inspect the chassis and all accessories for wear and damage. Replace any damaged components immediately.
- Keep the chassis and all firearms out of reach of children and unauthorized users.
- Use only recommended accessories and attachments to avoid compromising safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

• Hazard Identification:

- Improper installation may result in a malfunction of the firearm.
- Use of incompatible accessories may lead to accidents or injuries.
- Failure to maintain the chassis can affect accuracy and safety.

• Instructions for Avoiding Hazards:

- Follow all installation and usage instructions carefully.
- Do not modify the chassis or its components in any way.
- Ensure that the rifle is unloaded before making any adjustments or installations.
- Always use the chassis in a safe and controlled environment.

• AgeSpecific Warnings:

- This product is intended for use by adults. Keep away from children and individuals who are not trained in firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is completely unloaded and in a safe condition.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the MDT Chassis with the receiver of the rifle.
- Secure the chassis using the provided screws and tools, ensuring a tight fit without overtorquing.
- Check that the MDT VBlock Bedding System is properly seated for optimal accuracy.

2. Usage:

- Adjust the stock to fit your frame using the lengthofpull and comb height adjustments.
- Attach any accessories using the MLOK slots as needed.

- Before firing, ensure that the rifle is properly secured in the chassis and that all components are functioning correctly.
- Always follow safe shooting practices and local laws regarding firearm use.

Disposal Instructions

- Dispose of the MDT Chassis and any associated materials in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service channels for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Chassis LSS Gen3 System. Always prioritize safety and responsible firearm handling.
