

CRBN Kit - MDT Chassis - CRBN Hunter Kit - Tikka T3X - SA - RH - Fixed - ARCA

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

MDT CRBN Kit MDT Chassis CRBN Hunter Kit

Safety Instructions

Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit for your shooting needs. This safety instruction guide is designed to provide you with essential information to ensure safe and effective use of your rifle stock. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety during your hunting and shooting activities.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that you are familiar with the operation of your rifle and its components before use.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.
- Keep firearms out of reach of children and unauthorized users.
- Regularly inspect your rifle and its components for signs of wear and damage.
- Always store firearms in a secure manner to prevent unauthorized access.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the MDT CRBN Rifle Stock is securely attached to your rifle before use.
- Do not exceed the manufacturer's recommended weight limits for accessories mounted on the stock.
- Avoid using the rifle stock in extreme weather conditions that may compromise its integrity.
- Be cautious when using the ARCA rail and MLOK slots to ensure proper installation of accessories.
- Do not modify the rifle stock or its components without consulting the manufacturer.
- Always ensure the length of pull is adjusted to suit your body size for optimal comfort and control.
- Keep the stock clean and free from debris to maintain its performance.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the MDT CRBN Rifle Stock from the packaging.
- Inspect the product for any visible damage or defects.
- Ensure all components are included as per the product specifications.

2. Installation

- Attach the MDT CRBN Rifle Stock to your Tikka T3X rifle using the provided mounting hardware.
- Ensure the magnesium micro chassis is securely fastened to prevent movement during use.
- Adjust the length of pull using the spacers provided to fit your shooting style.
- Install any accessories (bipods, tripods) onto the ARCA rail and MLOK slots, ensuring they are securely fastened.

3. Usage

- Before shooting, check that the stock is properly installed and all accessories are secure.
- When using the rifle, maintain a firm grip and ensure proper shooting posture.
- Monitor the performance of the stock during use and be aware of any changes in handling or feel.

- After shooting, clean the stock to remove any dirt or moisture.

Disposal Instructions

- Dispose of the MDT CRBN Rifle Stock and any components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any inquiries regarding the MDT CRBN Kit MDT Chassis CRBN Hunter Kit, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT CRBN Rifle Stock. Always prioritize safety and responsibility when handling firearms.
