

Scope Ring Set 30mm - Prussia Precision Prussia Precision Scope Ring Set 30mm - Medium

Medium Profile

The **Prussia Precision Scope Ring Set 30mm** is a robust and precisely machined mounting solution for rifle scopes with a **30 mm main tube**. Designed for use on **Picatinny and Weaver rails**, the rings provide a rigid and dependable connection between the optic and rifle.

Machined from high-strength aluminum and finished with a durable anodized coating, the rings combine excellent strength with precise fit and consistent alignment. The accurately machined contact surfaces provide even clamping around the scope tube, helping to reduce unnecessary stress on the optic while maintaining a secure position under recoil.

Both the scope ring caps and rail clamps are secured with **Torx screws**, allowing for controlled and reliable installation.

The Prussia Precision Scope Rings are available in three different heights:

1. Low
2. Medium
3. High

This allows the mounting height to be selected according to the rifle platform, objective diameter, and preferred shooting position.

Compatible with **Picatinny rails according to MIL-STD-1913 / STANAG 2324** as well as compatible Weaver rails.

Attributes

- Name: Prussia Precision Prussia Precision Scope Ring Set 30mm - Medium

Prussia Precision Scope Ring Set 30mm Safety Instruction Guide

Introduction

Thank you for choosing the Prussia Precision Scope Ring Set 30mm. This product is designed to provide a secure and reliable mounting solution for your rifle scope. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide. Your safety and the proper functioning of this product are our top priorities.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle and scope setup.
- Always inspect the scope rings for any signs of damage or wear before installation.
- Use the product only for its intended purpose as described in the specifications.
- Store the product in a dry and secure location when not in use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to scope misalignment or damage.
 - Using the product with incompatible rails may result in failure.
 - Failure to secure the scope ring caps and rail clamps properly can cause the scope to detach during use.
- **Avoiding Hazards:**
 - Always use the correct tools, specifically Torx screws, for installation.
 - Ensure that all screws are tightened to the manufacturer's specifications.
 - Regularly check the tightness of the scope rings, especially after extensive use.
- **Agespecific Warnings:**
 - This product is not intended for use by children. Ensure that only responsible adults handle the installation and usage of this product.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools, including a Torx screwdriver.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Locate the Picatinny or Weaver rail on your rifle.
- Position the scope rings on the rail at the desired location.
- Align the mounting holes of the scope rings with the rail slots.
- Insert the Torx screws into the mounting holes and tighten them securely but do not overtighten.
- Place your scope into the rings and adjust its position for optimal eye relief and alignment.
- Secure the scope by tightening the ring caps using the Torx screws.

3. Usage:

- Once installed, check the scope for proper alignment and ensure it is securely mounted.
- Before firing, perform a function check to ensure that the scope remains stable under recoil.
- Regularly inspect the scope and rings for any signs of looseness or damage.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged or no longer usable, do not discard it in regular waste. Instead, look for recycling programs or facilities that accept aluminum materials.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer or retailer from whom you purchased the product. It is important to have access to support for any questions or concerns regarding the use of this product.

Thank you for your attention to safety. By following these guidelines, you can ensure a safe and enjoyable experience with your Prussia Precision Scope Ring Set 30mm.
