

Scope Ring Set 30mm - Prussia Precision Prussia Precision Scope Ring Set 30mm - High

High Profile

The **Prussia Precision Scope Ring Set 30mm** is a robust and precisely machined mounting solution for rifle scopes with a **30 mm main tube**. Designed for use on **Picatinny and Weaver rails**, the rings provide a rigid and dependable connection between the optic and rifle.

Machined from high-strength aluminum and finished with a durable anodized coating, the rings combine excellent strength with precise fit and consistent alignment. The accurately machined contact surfaces provide even clamping around the scope tube, helping to reduce unnecessary stress on the optic while maintaining a secure position under recoil.

Both the scope ring caps and rail clamps are secured with **Torx screws**, allowing for controlled and reliable installation.

The Prussia Precision Scope Rings are available in three different heights:

1. Low
2. Medium
3. High

This allows the mounting height to be selected according to the rifle platform, objective diameter, and preferred shooting position.

Compatible with **Picatinny rails according to MIL-STD-1913 / STANAG 2324** as well as compatible Weaver rails.

Attributes

- Name: Prussia Precision Prussia Precision Scope Ring Set 30mm - High
- Manufacturer: PRUSSIA PRECISION
- Product no.: EU2017163
- Mfr. No.: PP-1573-HGH

Prussia Precision Scope Ring Set 30mm Safety Instructions

Introduction

Thank you for choosing the Prussia Precision Scope Ring Set 30mm. This product is designed to provide a secure and reliable mounting solution for your rifle scope. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the scope rings with care to avoid damage.
- Ensure that the scope rings are compatible with your rifle and scope specifications.
- Regularly inspect the scope rings for wear and tear.
- Ensure that all components are securely fastened before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure that the scope is properly aligned and mounted to avoid misalignment during shooting.
- Do not exceed the recommended torque specifications when tightening screws to prevent damage.
- Avoid using the scope rings in extreme temperatures or conditions that may affect their performance.
- Be aware of the recoil generated by your firearm and ensure that the scope rings are adequately secured to withstand it.
- If you notice any unusual movement or looseness in the scope after installation, cease use immediately and check the installation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. Installation:

- Select the appropriate height of scope rings (Low, Medium, or High) based on your rifle platform and shooting position.
- Place the scope rings onto the Picatinny or Weaver rail, ensuring they are positioned correctly.
- Align the scope within the rings and ensure it is level.
- Using the Torx screws provided, tighten the ring caps securely without overtorquing.
- Doublecheck that the scope is stable and does not move when pressure is applied.

3. Usage:

- Always check the scope alignment before shooting.
- Regularly inspect the scope rings and screws for tightness during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support related to the Prussia Precision Scope Ring Set 30mm, please contact the manufacturer through the appropriate channels provided with your product packaging.

By following these guidelines, you can ensure the safe use of the Prussia Precision Scope Ring Set 30mm. Thank you for your attention to these important safety instructions.
