

CRBN Kit - MDT Chassis - CRBN Hunter Kit - Tikka T3X - LA - RH - Fixed - ARCA - Clearcoat Carbon Fiber

Constructed from foam-filled carbon fiber, the MDT CRBN Rifle Stock is exceptionally lightweight yet durable, allowing you to navigate rugged terrain on long hunts without feeling burdened. At the same time, you can trust that this stock will withstand tough conditions and heavy use.

The magnesium micro chassis with V-block bedding ensures a secure and stable action installation, providing a rock-solid foundation for your rifle. The rigid, wide forend eliminates flex, allowing for quicker follow-up shots and better trace spotting, which enhances both your precision and stability in any shooting scenario.

The foam-filled CRBN Stock also absorbs harmonic vibrations, giving the rifle a "dead-feel," allowing you to better track your shot, stay on target, and shoot more comfortably for extended periods.

With an integrated ARCA rail and M-LOK slots, the MDT CRBN Rifle Stock offers flexible options for mounting bipods, tripods, and other accessories, making it adaptable to your specific shooting needs. The adjustable length of pull via spacers, integrated thumb shelf, and front and rear QD cups for attaching QD slings ensure optimal comfort and ergonomic support, perfect for long hunts and competitions.

Attributes

Safety Instruction Guide for MDT CRBN Kit MDT Chassis CRBN Hunter Kit Tikka T3X LA RH Fixed ARCA Clearcoat Carbon Fiber

Introduction

Thank you for choosing the MDT CRBN Kit MDT Chassis CRBN Hunter Kit. This product is designed to enhance your shooting experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle firearms and their components with care and respect.
- Ensure the product is used in accordance with all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Risk of Injury:** Improper use of the rifle stock can lead to injury. Always ensure that the firearm is unloaded when attaching or detaching the stock.
- **Environmental Hazards:** Be aware of your surroundings and ensure that you are in a safe location when using the product.
- **Ergonomic Use:** Adjust the length of pull to suit your body size for optimal comfort and to reduce the risk of strain.
- **Vibration Absorption:** The foamfilled stock absorbs vibrations, but it is essential to maintain a firm grip on the rifle during use.
- **Accessory Mounting:** Ensure that all accessories mounted on the ARCA rail and MLOK slots are securely attached before use.

Instructions for Installation and Usage

1. Installation of the Stock:

- Ensure the firearm is unloaded and the safety is engaged.
- Align the MDT CRBN Rifle Stock with the action of the Tikka T3X.
- Secure the stock using the provided screws, ensuring a tight fit without overtightening.

2. Adjusting the Length of Pull:

- Use the spacers included with the stock to adjust the length of pull to your preference.
- Ensure that the adjustment is secure before use.

3. Mounting Accessories:

- Attach bipods, tripods, or other accessories to the ARCA rail or MLOK slots as needed.
- Check that all accessories are firmly secured before heading out for a shoot.

4. Using the Stock:

- Maintain a proper shooting stance and grip on the rifle.
- Utilize the adjustable thumb shelf for improved control and comfort.
- Practice shooting with the stock to become familiar with its handling characteristics.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- Consider recycling options for carbon fiber materials where available.
