Seater Head 7,62/.30R20A Safety Instruction Guide

Introduction

Thank you for choosing the Seater Head 7,62/.30R20A. This product is designed for precision bullet seating and is made from highquality brass. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety guidelines, precautions, and instructions to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always follow the manufacturer's instructions for operation and maintenance.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using this product.
- Do not exceed the recommended specifications for this product.
- Avoid using the product if it is damaged or malfunctioning.
- Ensure that the work area is clean and free from hazards.
- Use the product only for its intended purpose as specified by the manufacturer.
- Maintain a safe distance from others while using the product.

Instructions for Installation and Usage

1. Installation:

- Ensure that the work surface is stable and secure.
- Check that the Seater Head fits correctly with the original dies from Triebel Waffenwerkzeuge.
- Follow the manufacturer's guidelines for attaching the Seater Head to the reloading press.

2. Usage:

- Before starting, ensure that all adjustments are made according to the specifications.
- Load the cartridge case into the reloading press securely.
- Position the bullet in the case mouth carefully.
- Activate the press to seat the bullet gently and precisely.
- Regularly check for proper alignment and adjust as necessary to maintain accuracy.

Disposal Instructions

- Dispose of the Seater Head according to local regulations for metal recycling.
- Do not dispose of in regular household waste.
- Ensure that any remaining materials or components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the Seater Head 7,62/.30R20A, please consult the manufacturer's website for further support and resources.

By following these guidelines and instructions, you can ensure safe and effective use of the Seater Head 7,62/.30R20A. Thank you for your attention to these important safety measures.
