

Seater Head 8,20/.323-R100

Seater head made from high-quality brass, precision-machined in a single setup on modern CNC machines – for precise and gentle bullet seating. Profile-matched design ensures optimal axial bullet alignment, improving cartridge concentricity and overall accuracy. Select the correct seater head using the tool on the manufacturer's website www.triebel-reloading.com. Suitable for original dies from Triebel Waffenwerkzeuge.

Attributes

- Name: Seater Head 8,20/.323-R100
- Manufacturer: TRIEBEL
- Product no.: EU2017484
- Mfr. No.: 3000054V-08.20-R100
- Diameter (in): 0.323
- Diameter mm: 8,20
- Radius: R100
- Delivery weight: 0.015kg
- Shipping height: 15mm
- Shipping width: 15mm
- Shipping length: 30mm
- EAN/UPC: 3000054V-08.20-R100

Seater Head Safety Instruction Guide

Introduction

Thank you for choosing the Seater Head 8,20/.323R100. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the Seater Head to understand the necessary precautions and proper handling.

General Safety Guidelines

- Always ensure that the Seater Head is used in accordance with the manufacturer's guidelines.
- Inspect the Seater Head before each use for any signs of damage or wear.
- Keep the Seater Head out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the Seater Head.
- Do not attempt to modify or alter the Seater Head in any way.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling or use.
 - Risk of damage to the Seater Head if dropped or mishandled.
- **Avoiding Hazards:**
 - Always handle the Seater Head with care.
 - Ensure that the work area is clean and free from obstructions.
 - Do not use the Seater Head if you are under the influence of drugs or alcohol.
- **Age Restrictions:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that you have the correct Seater Head for your specific die set.
 2. Consult the manufacturer's website for guidance on selecting the appropriate Seater Head.
 3. Carefully attach the Seater Head to the reloading die according to the manufacturer's instructions.
- **Usage:**
 1. Before using the Seater Head, ensure that the reloading press is securely mounted and stable.
 2. Load the cartridge case into the reloading press as per the instructions provided with your reloading press.
 3. Insert the bullet into the cartridge case and align it with the Seater Head.
 4. Gradually apply pressure to the reloading press to seat the bullet into the cartridge case.
 5. Inspect the seated bullet for proper alignment and depth before proceeding to the next cartridge.

Disposal Instructions

- Dispose of the Seater Head in accordance with local regulations.
- If the Seater Head is damaged beyond repair, consider recycling the brass material where facilities exist.
- Do not dispose of the Seater Head in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the Seater Head, please refer to the manufacturer's contact information on their website. It is essential to reach out to the manufacturer for any safety-related questions or product recalls.

By following these safety instructions, you can ensure a safe and effective experience while using the Seater Head 8,20/.323R100. Always prioritize safety and compliance with the EU General Product Safety Regulation (GPSR) to protect yourself and others.
