

One-Piece Mount, 3" extended, 30mm, H22mm, lever

Versatile Compatibility: Ideal for both bolt-action rifles and AR-10 platforms.

Secure Mounting: Features adjustable steel QD (Quick Detach) safety levers compatible with all Picatinny and Weaver rails, including non-standard configurations.

Modular Design: Equipped with the ERATAC UNIVERSAL interface to easily accept add-ons like the Angle Cosine Indicator (SWK).

Battle-Proven Durability: Guaranteed 100% return-to-zero and recoil-proof performance, tested up to .50 BMG.

Premium Construction: CNC-machined entirely from high-strength aluminum alloy and finished with a robust Mil-Spec Type III hardcoat anodization.

Please Note: Firearms and accessories shown in product images are for illustrative purposes only and are not included. Due to the wide variety of product configurations, images may vary slightly in proportion from the exact model described.

ERATAC OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This product is designed for versatile compatibility with boltaction rifles and AR10 platforms. To ensure safe and effective use, please read this safety instruction guide thoroughly. It provides essential information regarding product safety, installation, usage, and disposal.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm before installation.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the mount regularly for signs of wear or damage.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- If you notice any abnormal functionality, discontinue use immediately and consult a professional.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the mount.
- Use the adjustable steel QD (Quick Detach) safety levers properly to secure the mount.
- Do not exceed the recommended weight limit for the mount.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- When using addons such as the Angle Cosine Indicator (SWK), ensure they are securely attached.
- Be aware of your surroundings and ensure a clear line of sight when using the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and free of distractions.
- Gather all necessary tools for installation.

2. Installation:

- Unload the firearm completely.
- Align the mount with the Picatinny or Weaver rail on your firearm.
- Secure the mount using the QD safety levers. Make sure they are tightened appropriately.
- Doublecheck that the mount is securely attached before proceeding.

3. Usage:

- When using the mount, ensure that all components are functioning correctly.
- Regularly check the mount for stability and security during use.
- If using addons, verify their installation and functionality before each use.

4. PostUsage:

- After use, clean the mount and inspect it for any signs of damage.
- Store the mount in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the mount according to local regulations for metal waste.

- If the mount is damaged or no longer functional, do not attempt to repair it yourself.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ERATAC OnePiece Mount, please refer to the manufacturer's contact information provided with your product packaging. Ensure that you have your product details ready for any inquiries.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your ERATAC OnePiece Mount responsibly and safely.
