ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm before use.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not exceed the weight limit specified by the manufacturer.
- Use only approved accessories and attachments with the mount.
- In case of any malfunction or unusual behavior, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the mount.
- Use appropriate eye and ear protection when handling firearms equipped with the mount.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Do not attempt to modify or disassemble the mount, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure a safe shooting environment when using the mount with a firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and accessories for installation.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Mounting the ERATAC OnePiece Mount:

- Align the mount with the Picatinny or Weaver rail on your firearm.
- Secure the mount using the adjustable steel QD (Quick Detach) safety levers.
- Ensure that the mount is firmly attached and does not move when pulled.

3. Adjusting the Mount:

- If applicable, adjust the mount to the desired height (H25mm) and position.
- Confirm that the mount is level and aligned with the firearm's sight line.

4. Testing the Mount:

- Before taking the firearm to the range, perform a function check to ensure the mount is secure.
- Fire a few test shots to confirm that the mount maintains returntozero accuracy.

5. Using Addons:

- If using additional accessories like the Angle Cosine Indicator (SWK), ensure they are compatible with the ERATAC UNIVERSAL interface.
- Follow the specific instructions provided with the addons for safe installation and use.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Consider recycling options for metal components when available.

Contact Information for Further Support

For any safety inquiries or support related to the ERATAC OnePiece Mount, please refer to the manufacturer's contact information provided with your product.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your ERATAC OnePiece Mount. Always prioritize safety and responsible use when handling firearms and their accessories. Thank you for choosing ERATAC.
