ERATAC OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This product is designed for versatility and durability, suitable for both boltaction rifles and AR10 platforms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm and accessories before installation.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm use.
- Keep the mount and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage. Do not use if any issues are found.
- In case of an accident or injury, report it to the appropriate authorities immediately.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded when installing or adjusting the mount.
- Use the adjustable steel QD (Quick Detach) safety levers properly to secure the mount. Ensure they are fully engaged before use.
- Do not exceed the recommended recoil limits. The mount is tested for performance up to .50 BMG; using it beyond this may compromise safety.
- Be cautious when using additional accessories with the mount. Ensure compatibility and secure attachment to avoid accidents.
- If using the mount in adverse weather conditions, regularly check for any impact on the mount's performance or integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and accessories.
- Ensure the firearm is pointed in a safe direction and is unloaded.

2. Mounting the Mount:

- Align the mount with the Picatinny or Weaver rail on your firearm.
- Use the adjustable QD safety levers to secure the mount. Ensure that they are tightly fastened.

3. Adding Accessories:

- If using additional accessories like the Angle Cosine Indicator (SWK), follow the manufacturer's instructions for installation.
- Ensure that all addons are securely attached and do not obstruct the use of the firearm.

4. Final Checks:

- After installation, doublecheck that the mount is securely attached and that all levers are locked.
- Perform a function check on your firearm to ensure everything operates correctly.

Disposal Instructions

- Dispose of the mount and any accessories in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Instead, contact your local waste management authority for proper disposal methods.
