ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety information and instructions to ensure the safe and proper use of your mount. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm before use.
- Always verify that the firearm is unloaded before attaching or adjusting the mount.
- Use the mount only for its intended purpose, which is to securely attach optics to compatible firearms.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not modify the mount or use it in a manner not specified in this guide.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the mount is suitable for your specific rifle model and optics.
- **Installation Safety:** Follow all installation instructions carefully to avoid improper mounting that could lead to accidents.
- **Use of Tools:** Use the appropriate tools as specified in the installation instructions. Do not use excessive force during installation.
- **Secure Attachment:** Ensure that the mount is securely attached to the firearm before use. Check the adjustable steel QD safety levers for a proper fit.
- **Recoil Management:** Be aware that while the mount is designed to be recoilproof, improper use or installation can lead to malfunction.
- **Environmental Considerations:** Avoid exposing the mount to extreme temperatures or harsh environmental conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded.
- Gather all necessary tools for installation.

2. Mounting the Optic:

- Align the mount with the Picatinny or Weaver rail on your firearm.
- Slide the mount onto the rail until it is in the desired position.

3. Securing the Mount:

- Use the adjustable steel QD safety levers to secure the mount in place.
- Ensure that the levers are fully engaged and that the mount does not move.

4. Final Check:

- Doublecheck that the mount is firmly attached and that there is no play or movement.
- Attach your optic and ensure it is securely fastened.

5. Usage:

- Always handle your firearm with care, following all safety protocols.
- Regularly check the mount and optics for any signs of loosening or damage during use.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in household waste if it contains any hazardous materials. Check with local waste management authorities for proper disposal methods.
