ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety instructions to ensure the safe and effective use of your mount. Please read this document carefully before installation and usage to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the mount is suitable for your specific firearm type and configuration.
- Always use the mount in accordance with the manufacturer's instructions and guidelines.
- Inspect the mount regularly for any signs of wear or damage.
- Keep the mount and all related accessories out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before attaching or detaching the mount.
- Make sure all components are securely fastened before use to prevent accidents.
- Avoid using the mount in extreme weather conditions, which may affect performance.
- Do not modify the mount or use it in a manner not specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the proper tools for installation, including a torque wrench.
- Align the mount with the Picatinny or Weaver rail on your firearm.
- Secure the mount using the adjustable steel QD safety levers, ensuring they are properly tightened.
- Check the alignment and stability of the mount before proceeding.

2. Usage:

- After installation, verify that the mount is secure and does not shift during use.
- Always check the returntozero capability before each use, especially after any adjustments.
- Use the mount only with compatible optics and accessories, such as the Angle Cosine Indicator (SWK).

Disposal Instructions

- Dispose of the mount and any accessories in accordance with local regulations.
- Do not dispose of the mount in household waste. Check for local recycling programs that accept aluminum products.
