

One-Piece Mount 34mm, H17.5mm, nut

Versatile Compatibility: Ideal for both bolt-action rifles and AR-10 platforms.

Secure Mounting: Features adjustable steel QD (Quick Detach) safety levers compatible with all Picatinny and Weaver rails, including non-standard configurations.

Modular Design: Equipped with the ERATAC UNIVERSAL interface to easily accept add-ons like the Angle Cosine Indicator (SWK).

Battle-Proven Durability: Guaranteed 100% return-to-zero and recoil-proof performance, tested up to .50 BMG.

Premium Construction: CNC-machined entirely from high-strength aluminum alloy and finished with a robust Mil-Spec Type III hardcoat anodization.

Please Note: Firearms and accessories shown in product images are for illustrative purposes only and are not included. Due to the wide variety of product configurations, images may vary slightly in proportion from the exact model described.

ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm and accessories before use.
- Always follow local laws and regulations regarding firearms and accessories.
- Handle all firearms with care, treating them as if they are loaded at all times.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for signs of wear or damage, and replace it if necessary.
- In case of any doubt about the safety or functionality of the product, consult with a qualified professional.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the mount.
- Ensure that the mount is securely attached to the firearm before use.
- Avoid using the mount in extreme weather conditions that may affect performance.
- Do not modify or alter the mount in any way, as this may compromise safety.
- When using the mount with optics or other accessories, ensure they are also securely attached and compatible.
- Always use appropriate protective gear when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and accessories for installation.

2. Installation

- Position the mount on the Picatinny or Weaver rail of your firearm.
- Align the mount with the desired positioning, ensuring that it is level.
- Secure the mount using the adjustable steel QD (Quick Detach) safety levers.
- Confirm that the mount is tightly secured and does not move when tested.

3. Usage

- Following installation, check the alignment and stability of the mount.
- Make any necessary adjustments to ensure optimal performance.
- Regularly check the mount during use to ensure it remains secure.

Disposal Instructions

- Dispose of the mount in accordance with local regulations regarding metal waste.
- Do not dispose of the mount in regular household waste.
- If the mount is damaged or no longer usable, take it to a designated recycling facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ERATAC OnePiece Mount, please refer to the manufacturer's contact information provided with the product. It is important to have access to support for any questions related to safety and usage.

Note: Always stay informed about product recalls and safety notices. You can report any unsafe products or incidents to local authorities. For updates on product safety, check the EU's Safety Gate platform.

By following these guidelines, you can ensure a safe and effective experience with your ERATAC OnePiece Mount. Thank you for your attention to safety.
