

One-Piece Mount 34mm, H25mm, nut

Versatile Compatibility: Ideal for both bolt-action rifles and AR-10 platforms.

Secure Mounting: Features adjustable steel QD (Quick Detach) safety levers compatible with all Picatinny and Weaver rails, including non-standard configurations.

Modular Design: Equipped with the ERATAC UNIVERSAL interface to easily accept add-ons like the Angle Cosine Indicator (SWK).

Battle-Proven Durability: Guaranteed 100% return-to-zero and recoil-proof performance, tested up to .50 BMG.

Premium Construction: CNC-machined entirely from high-strength aluminum alloy and finished with a robust Mil-Spec Type III hardcoat anodization.

Please Note: Firearms and accessories shown in product images are for illustrative purposes only and are not included. Due to the wide variety of product configurations, images may vary slightly in proportion from the exact model described.

ERATAC OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC OnePiece Mount. This guide provides essential safety instructions and usage information to ensure the safe operation of your mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is installed and used according to the instructions provided in this guide.
- Always check the mount for any signs of damage or wear before each use.
- Keep the mount out of reach of children and ensure it is used only by responsible adults.
- Do not exceed the weight limits specified for the mount.
- Be aware of your surroundings when using firearms equipped with this mount.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the mount.
- Use the mount only with compatible firearms, including boltaction rifles and AR10 platforms.
- Verify that all components are securely fastened before use.
- Do not modify the mount or use it in any way other than intended.
- If you experience any issues with the mount, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Align the mount with the Picatinny or Weaver rail on your firearm.
- Use the adjustable steel QD safety levers to secure the mount to the rail.
- Verify that the mount is tightly secured and does not move when pulled.

2. Usage:

- After installation, check the alignment of your scope or sight with the mount.
- Test the quick detach feature by releasing the safety levers and reattaching the mount.
- Ensure that the mount returns to zero after detachment and reattachment.
- Regularly inspect the mount and firearm for any signs of wear or damage.

Disposal Instructions

- Dispose of the mount and any associated packaging in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, locate a recycling facility that accepts aluminum and metal products.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local dealer for assistance.

Note: This safety instruction guide is intended to provide you with the necessary information to use the ERATAC OnePiece Mount safely and effectively. Always prioritize safety and compliance with local laws when using firearms and accessories.
