Safety Instruction Guide for ERATAC OnePiece Mount

Introduction

Thank you for purchasing the ERATAC OnePiece Mount. This guide provides important safety information and instructions to ensure the safe use and installation of your mount. Please read this manual carefully before use to avoid accidents and ensure optimal performance.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm and accessories before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the mount and all firearms out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not use the mount if it shows any signs of malfunction or if it has been involved in an accident.
- Follow the manufacturer's guidelines for the installation and use of the mount.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Compatibility Check:** Ensure that the ERATAC OnePiece Mount is suitable for your specific firearm, whether it is a boltaction rifle or an AR10 platform.
- **Secure Installation:** Make sure the mount is securely attached to the Picatinny or Weaver rail. Check that all safety levers are properly engaged.
- **Avoid OverTightening:** Do not overtighten screws or levers, as this may damage the mount or the firearm.
- **Use with Caution:** When using the mount in the field, be aware of your surroundings and handle the firearm responsibly.
- **Regular Maintenance:** Clean the mount regularly to ensure it remains free from dirt and debris that could affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench if required.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Align the ERATAC OnePiece Mount with the Picatinny or Weaver rail on your firearm.
- Secure the mount using the adjustable steel QD safety levers.
- Ensure that the mount is level and positioned correctly for optimal sight alignment.

3. Adjustment:

- Once installed, check the mount's alignment and adjust as necessary.
- Test the quick detach mechanism to ensure it operates smoothly.

4. Usage:

- After installation, attach your optical device (e.g., scope) according to the manufacturer's

instructions.

- Regularly check the mount for stability and secure attachment during use.

5. PostUse Inspection:

- After each use, inspect the mount for any signs of wear or damage.
- Store the mount in a safe place when not in use.

Disposal Instructions

- When it comes time to dispose of the ERATAC OnePiece Mount, follow local regulations for disposal of metal and electronic components.
- Do not dispose of the mount in regular household waste.
- Consider recycling the mount at a designated recycling facility.
