

Ultralight One-Piece Mount, extended, 1", H24mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount, extended, 1", H24mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017965
- Mfr. No.: T3022-2024
- Colour: Black
- Delivery weight: 0.147kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3022-2024

ERATAC Ultralight OnePiece Mount Safety Instruction Guide

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the mount is compatible with your firearm before installation.
- Always handle firearms with care and in accordance with local laws and regulations.
- Regularly inspect the mount for signs of wear or damage before use.
- Keep the mount and all firearms out of reach of children and unauthorized users.
- If you encounter any issues or have questions, seek professional advice or contact a qualified gunsmith.

Specific Safety Precautions for Use

- **Weight Consideration:** The lightweight design of the mount does not compromise its structural integrity. However, ensure that your firearm is capable of handling the mount's specifications.
- **Recoil Resistance:** The mount is tested for recoil resistance. Ensure that it is securely mounted to avoid any accidents during shooting.
- **Eye Relief:** When using the mount, ensure that your optic is properly adjusted for eye relief to prevent injuries.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation Process:

- Ensure that you have the necessary tools, including Torx screws, for installation.
- Clean the Picatinny rail on your firearm to remove any debris or oil.
- Align the mount with the desired position on the rail.
- Secure the mount using the provided heavyduty Torx screws. Ensure that they are tightened adequately but do not overtighten to avoid damaging the mount or the rail.

2. Usage Guidelines:

- Once installed, check the alignment and stability of the mount before using your firearm.
- Adjust your optic's magnification ring as needed for your shooting stance.
- Regularly check the mount's tightness and condition before each use.

Disposal Instructions

- Dispose of the mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste. Instead, take it to a designated recycling or hazardous waste facility if applicable.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please consult the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are paramount when using firearms and related equipment. Enjoy your shooting experience with the ERATAC Ultralight OnePiece Mount.
