

Ultralight One-Piece Mount, extended, 34mm, H20mm

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount, extended, 34mm, H20mm
- Manufacturer: ERATAC
- Product no.: EU2017970
- Mfr. No.: T3024-0020
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3024-0020

ERATAC Ultralight OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions to ensure the safe and effective use of your scope mount. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Only use the mount with compatible optics and firearms as specified by the manufacturer.
- Keep the mount out of reach of children and vulnerable individuals.
- If you encounter any issues or concerns regarding the mount, cease usage immediately and consult a professional.

Specific Safety Precautions for Use

- **Recoil Resistance:** This mount is designed to withstand heavy recoil up to .50 caliber. Ensure that your firearm is compatible with this specification.
- **Installation:** Follow the installation instructions precisely to avoid improper mounting, which may lead to accidents.
- **Optic Manipulation:** Ensure that there is ample room to manipulate your optic's magnification ring without obstruction.
- **Environmental Conditions:** Avoid using the mount in extreme weather conditions that may affect its performance and integrity.
- **Transport and Storage:** Store the mount in a dry, cool place when not in use. Avoid dropping or subjecting it to heavy impacts.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including Torx screws.
- Ensure the mounting surface is clean and free of debris.

2. Installation:

- Align the mount with the Picatinny rail on your firearm.
- Use the provided heavyduty Torx screws to securely attach the mount to the rail.
- Tighten the screws evenly to ensure a secure fit without overtightening, which could damage the mount or rail.

3. Optic Attachment:

- Once the mount is securely installed, attach your optic according to the manufacturer's instructions.
- Adjust the optic for proper eye relief, ensuring comfort and usability in various shooting stances.

4. Usage:

- Before each use, perform a visual inspection of the mount and optic to ensure everything is secure.
- Practice using the mount and optic in a safe environment before engaging in dynamic shooting disciplines.

Disposal Instructions

- Dispose of the mount in accordance with local regulations for metal and electronic waste.
- Do not dispose of in regular household waste.
- If the mount is damaged or no longer in use, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's website or contact the designated support service.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your experience with the ERATAC Ultralight OnePiece Mount!
