

Ultralight One-Piece Mount 30mm, H10mm

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 30mm, H10mm
- Manufacturer: ERATAC
- Product no.: EU2017971
- Mfr. No.: T3013-0010
- Colour: Black
- Delivery weight: 0.122kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3013-0010

ERATAC Ultralight OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides essential safety instructions and usage guidelines to ensure your safety and the optimal performance of your mount. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Use the mount only as intended. Ensure that all components are intact and functional before installation.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, verify that the retailer adheres to safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, contact the relevant EU-based support service.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Installation:** Ensure the mount is securely attached to the firearm's Picatinny rail using the provided Torx screws. Check for tightness before each use.
- **Weight Limit:** Do not exceed the weight limit of the mount. Ensure that your optic is compatible with the mount specifications.
- **Recoil Resistance:** Although designed to withstand significant recoil, avoid using the mount with firearms that exceed .50 caliber unless specified.
- **Environmental Conditions:** Avoid exposing the mount to extreme temperatures or corrosive substances that may affect its integrity.
- **Inspection:** Regularly inspect the mount for signs of wear or damage. Replace any damaged components immediately.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools, including Torx screws and a torque wrench.
2. **Mounting the Optic:**
 - Align the mount with the Picatinny rail on your firearm.
 - Secure the mount using the Torx screws provided. Ensure a snug fit without overtightening.
3. **Setting Eye Relief:** Adjust your optic's position to achieve the desired eye relief. Ensure that the 56 mm offset allows for comfortable viewing.
4. **Final Checks:**
 - Verify that all screws are tight.
 - Ensure that the optic is properly secured and does not move during operation.
5. **Usage:**
 - Use the mount in accordance with your firearm's safety guidelines.
 - Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- If the mount is damaged or no longer usable, consider recycling any metal components where possible.
