

Ultralight One-Piece Mount 30mm, H10mm, 20MOA

Minimalist and Featherweight: Engineered around user feedback, this ultra-lightweight scope mount trims bulk for maximum mobility, cutting weight by approximately 50% compared to our standard block mounts. To achieve this ultra-lean profile, the UNIVERSAL interface was intentionally omitted.

T3 Short Version: Perfectly suited for all bolt-action rifles as well as AR-10 platforms looking for a compact setup.

T3 Extended Version (56 mm Offset): Specifically developed for military/LE operations on AR-15 platforms and high-speed dynamic shooting disciplines like IPSC. The 56 mm forward extension ensures ideal eye relief in any shooting stance, while the shortened base design leaves ample room to easily manipulate your optic's magnification ring.

Duty-Grade Toughness: Built strictly to military standards with a matte black Mil-Spec Type III hardcoat anodized finish, guaranteeing 100% corrosion resistance across all components.

Rock-Solid Rail Interface: Mounts securely to Picatinny rails using heavy-duty Torx screws, creating a solid, reliable connection with zero loose parts to lose in the field.

Proven .50 BMG Recoil Resistance: Don't let the low weight fool you—independent testing has proven that all ultra-light models maintain absolute return-to-zero and full shockproof integrity under hard recoil, even up to .50 caliber.

Attributes

- Name: ERATAC Ultralight One-Piece Mount 30mm, H10mm, 20MOA
- Manufacturer: ERATAC
- Product no.: EU2017975
- Mfr. No.: T3013-2010
- Colour: Black
- Delivery weight: 1kg
- Shipping height: 100mm
- Shipping width: 100mm
- Shipping length: 100mm
- EAN/UPC: T3013-2010

ERATAC Ultralight OnePiece Mount Safety Instructions

Introduction

Thank you for choosing the ERATAC Ultralight OnePiece Mount. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a scope mount for boltaction rifles and AR10 platforms.
- Always inspect the mount for any damage before installation. Do not use if any parts are damaged or missing.
- Keep the mount out of reach of children and vulnerable individuals to prevent accidental injury.
- Be aware of your surroundings and ensure that the area is safe when using firearms equipped with this mount.
- Follow all local laws and regulations regarding firearm usage and accessories.

Specific Safety Precautions for Use

- **Recoil Resistance:** Although the mount is designed to withstand heavy recoil, ensure that your firearm is properly maintained to avoid malfunctions.
- **Weight Considerations:** The lightweight design may give a false sense of security. Always ensure that the mount is securely attached to the firearm before use.
- **Eye Relief:** When using the mount, ensure that you have the correct eye relief to prevent injury from recoil.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting, which could lead to accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure you are working in a clean, dry area free from distractions.

2. Installation Steps:

- Remove any existing mounts from your firearm.
- Align the ERATAC Ultralight OnePiece Mount with the Picatinny rail on your firearm.
- Secure the mount using the provided heavyduty Torx screws. Ensure that the screws are tightened to the manufacturer's specifications to prevent loosening during use.
- Doublecheck the alignment and stability of the mount before attaching your optic.

3. Usage:

- When using the firearm with the mounted optic, ensure that you are in a stable shooting position.
- Adjust the optic's magnification ring as needed, ensuring that you do not obstruct the functionality of the mount.
- Regularly check the mount and optic for any signs of wear or loosening during usage.

Disposal Instructions

- Dispose of the ERATAC Ultralight OnePiece Mount in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste. Check for local recycling programs that accept such materials.

Contact Information for Further Support

For any safety inquiries or support regarding the ERATAC Ultralight OnePiece Mount, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your ERATAC Ultralight OnePiece Mount. Always prioritize safety and adhere to local laws and regulations when using firearms. Thank you for your purchase, and enjoy your shooting experience!
